The Sixth Station Linda Stasi, 2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.

Moon-face and Other Stories Jack London, 1906 JACK LONDON (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and illegal ways -robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided the material for his works, and made him a socialist. The son of the Wolf (1900), the first of his collections of tales, is based upon life in the Far North, as is the book that brought him recognition, The Call of the Wild (1903), which tells the story of the dog Buck, who, after his master's death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including The Sea-Wolf (1904), White Fang (1906), South Sea Tales (1911), and Jerry of the South Seas (1917). One of London's most interesting novels is the semi-autobiographical Martin Eden (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.

The Ballet Lover's Companion Zoe Anderson, 2015-05-29 This engaging book is a welcome guide to the most successful and loved ballets seen on the stage today. Dance writer and critic Zoe Anderson focuses on 140 ballets, a core international repertory that encompasses works from the ethereal world of romantic ballet to the edgy, muscular works of modern choreographers. She provides a wealth of facts and insights, including information familiar only to dance world insiders, and considers such recent works as Alexei Ramansky's Shostakovich Trilogy and Christopher Wheeldon's The Winter's Tale as well as older ballets once forgotten but now returned to the repertory, such as Sylvia. To enhance enjoyment of each ballet, Anderson also offers tips on what to look for during a performance. Each chapter introduces a period of ballet history and provides an overview of innovations and advancement in the art form. In the individual entries that follow, Anderson includes essential facts about each ballet's themes, plot, composers, choreographers, dance style, and music. The author also addresses the circumstances of each ballet's creation and its effect in the theater, and she recounts anecdotes that illuminate performance history and reception. Reliable, accessible, and fully up to date, this book will delight anyone who attends the ballet, participates in ballet, or simply loves ballet and wants to know much more about it.

Apocalypse Jacques Ellul, 2020-05-05 "There has never been a book provoking more delirium, foolishness and irrational movements, without any relationship to Jesus Christ [than the Book of Revelation]." —Jacques Ellul, Introduction Known for his trenchant critique of modernity and of those Christians who celebrate their captivity to it, Ellul here cuts to the heart of the theological intention of the Book of Revelation, and thereby reveals the liberating gospel in all its offensiveness. Neither an exhaustive commentary nor a work of historical-exegetical analysis, Apocalypse is a provocative, independent interpretation. Ellul seeks to rescue Revelation from the reassuring and orthodox banality to which commentators often reduce it. The goal is to perceive the totality of the book in its movement and structure. "Architecture in movement" is the key to understanding

Revelation's puzzling but simple message. This edition also comes with a new foreword by Jacob Marques Rollison who provides an essential aid for guiding readers through Ellul's thorough engagement with Revelation.

Dancing Women Sally Banes, 2013-11-05 Dancing Women: Female Bodies Onstage is a spectacular and timely contribution to dance history, recasting canonical dance since the early nineteenth century in terms of a feminist perspective. Setting the creation of specific dances in socio-political and cultural contexts, Sally Banes shows that choreographers have created representations of women that are shaped by - and that in part shape - society's continuing debates about sexuality and female identity. Broad in its scope and compelling in its argument Dancing Women: * provides a series of re-readings of the canon, from Romantic and Russian Imperial ballet to contemporary ballet and modern dance * investigates the gaps between plot and performance that create sexual and gendered meanings * examines how women's agency is created in dance through aspects of choreographic structure and style * analyzes a range of women's images - including brides, mistresses, mothers, sisters, witches, wraiths, enchanted princesses, peasants, revolutionaries, cowgirls, scientists, and athletes - as well as the creation of various women's communities on the dance stage * suggests approaches to issues of gender in postmodern dance Using an interpretive strategy different from that of other feminist dance historians, who have stressed either victimization or celebration of women, Banes finds a much more complex range of cultural representations of gender identities.

For the Love of Dance Dame Beryl Grey, 2017-07-17 The autobiography of Dame Beryl Grey, now in paperback. Dame Beryl's life is defined by her love of dance. Both as a ballerina and an Artistic Director she helped make British ballet the powerhouse it is today. Knowing and working with virtually everyone in ballet, she reveals fascinating insights into the people, characters and institutions that made up world dance in the 20th century. Grey began her dancing career with the Sadler's Wells Ballet in 1943 at the unprecedented early age of 14. Her natural virtuosity saw her quickly promoted, dancing her first Giselle at 17, and Princess Aurora at 19. Dame Beryl was the first English ballerina to dance at the Bolshoi and the Kirov, as well as the Peking Ballet. Asked to become Artistic Director of what is now English National Ballet, her love of dance allowed her to navigate the tricky passage from ballerina to leader of a dance company. Over ten years she transformed that Company with new dancers, new ballets, a new home and new audiences. Based on her letters and diaries, For the Love of Dance is an extraordinary tale of an extraordinary woman and a life given to her first love - dance.
