Nationalism and Identity Stefano Harney, 1996 The nation-state of Trinidad and Tobago offers a unique case for the study of the forces and ideologies of nationalism. This book reveals how this ethnically diverse nation (40% African origin, 40-45% East Indian origin, plus those of Syrian, Chinese, Portuguese, French and English descent), independent for less than forty years, has provided fertile ground for the creative tension between the imagination of the writer in his or her search for a habitable text of identity and the official discourse on nationalism in Trinidad and Tobago. This discourse has in turn been embedded in a struggle that propels the nation's story. Following on from this background, the study examines the changes and influences on the sense of nationalism and peoplehood caused by migration and the ethnicization of migrant communities in the metropolises.

Injustice J. L. Beck, 2015-07-18 Broken. Dead. Failure. That's what I felt every time I looked in the mirror. Depression. Sadness. Anger. That's what others saw if they were smart enough to see past my facade. Knowing what I felt inside, I would I have to agree. I was on a path of destruction. Some would I say I was my own downfall waiting to happen. A man drowning himself in alcohol and loose women. That's what I had become. After all, that's all I was good for. Until Alzerro King f*cked up my day. One sentence completely altered my world. Hiding someone while working with the FBI was the last thing I wanted to do. Then I meet her. Isabella Vincenzo. Hurt. Beat. Fragile. I wasn't a victim. I wasn't prey to the monsters that lurked in the dark- at least that's what I told myself. Trouble had found me, I was sold to the mafia by my family. I was now property of the drug cartel ran by the Russian Mafia, and to be sold to the highest bidder. What happened was never to be expected. Somewhere in the middle of the USA I'm being kept. Hidden. Held against my will from the monsters.... Little did I know, I traded one monster for another. Will Jared and Isabella save each other or will the murkiness that has tainted their lives pull them deeper into the darkness? Sometimes all we need is someone else to be our light in the moments of complete darkness. Sometimes love can smother the injustice.

Business Models for Sustainability Transitions Annabeth Aagaard, Florian Lüdeke-Freund, Peter Wells, 2021-11-11 Can innovations in business change society? Can innovations in society change business? These two questions have become critically urgent in recent years, but are rarely considered together. 'Business Models for Sustainability Transitions' therefore asks, can contemplating both concepts together result in a flourishing, sustainable future? Technology alone cannot save us. We cannot consciously consume our way out of trouble. This book represents a start at bridging

the dynamic world of business model innovation with the constant and unprecedented transitions underway in the world around us. For researchers, practitioners, and policy makers, the coupling of the two questions has the potential to unlock answers to our grand global challenges with responses that are at the same time rapid and enduring. This work offers unique and considered glimpses into what it may take to harness wide-ranging innovations for the collective good.
