Britannia's Dragon J.D. Davies,2013-07-01 Based on extensive research, The Naval History of Wales tells a compelling story that spans nearly 2,000 years, from the Romans to the present. Many Welsh men and women have served in the Royal Navy and the navies of other countries. Welshmen played major parts in voyages of exploration, in the navy's suppression of the slave trade, and in naval warfare from the Viking era to the Spanish Armada, in the American Civil War, both world wars and the Falklands War. Comprehensive, enlightening, and provocative, The Naval History of Wales also explodes many myths about Welsh history, naval historian J.D. Davies arguing that most Welshmen in the sailing navy were volunteers and that, relative to the size of national populations, proportionately more Welsh seamen than English fought at Trafalgar. Written in vivid detail, this volume is one that no maritime or Welsh historian can do without.

Fastest, Highest, Strongest Rob Beamish,Ian Ritchie,2006-09-27 Fastest, Highest, Strongest presents a comprehensive challenge to the dominant orthodoxy concerning the use of performance-enhancing drugs in sport. Examining the political and economic transformation of the Olympic Movement during the twentieth century, the authors argue that the realities of modern sport require a serious reassessment of current policies, in particular the ban on the use of certain substances and practices. The book includes detailed discussion of: * The historical importance of World War II and the Cold War in the development of a high-performance culture in sport * The changing Olympic project: from amateurism to a fully professionalized approach * The changing meaning of sport * The role of sport science, technology and drugs in pursuing ever-better performance * The major ethical and philosophical arguments used to support the ban on performance-enhancing substances in sport. Fastest, Highest, Strongest is a profound critical examination of modern sport. Its straightforward style will appeal to under- and post-graduate students as well as scholars of sports ethics and history, policy makers and all those interested in the changing nature of sport.

Restoring the Balance Gail Guthrie Valaskakis,Eric Guimond,Madeleine Dion Stout,2011-07-15 First Nations peoples believe the eagle flies with a female wing and a male wing, showing the importance of balance between the feminine and the masculine in all aspects of individual and community experiences. Centuries of colonization, however, have devalued the traditional roles of First Nations women, causing a great gender imbalance that limits the abilities of men, women, and their communities in achieving self-actualization.Restoring the Balance brings to light the work First Nations women have performed, and continue to perform, in cultural continuity and community development. It illustrates the challenges and successes they have had in the areas of law, politics, education, community healing, language, and art, while suggesting significant options for sustained improvement of individual, family, and community well-being. Written by fifteen Aboriginal scholars, activists, and community leaders, Restoring the Balance combines life histories and biographical accounts with historical and critical analyses grounded in traditional thought and approaches. It is a powerful and important book.

The Answer Book Nancy Ruth, 2015-02-18 The Answer Book: A Devotional for Busy Families recognizes that today's families keep hectic schedules, often leaving mere scraps of time for asking and answering spiritual questions. Nancy Ruth brings years of experience in children's ministry and a master's degree in theology to bear in crafting a seven-week set of daily devotions that offers families assistance in exploring how to live as Christians. Adults, who sometimes find children challenging them with hard questions about the Christian life, will find The Answer Book enables them to ask those questions as a family, to listen to God's Word, and to discover its answers. Each weekly section addresses a major topic, including truth, the reasons for spending time with God, the identity of Jesus, and family discipleship. Each daily devotion shares a brief reflection, suggests a Bible reading, presents an "On the Road" challenge to the family, and calls for a "Weapon Check," in which one memorizes key scriptural passages. As you spend time around your children, you may wonder what drives them to ask endlessly, "Why?" The Answer Book: A Devotional for Busy Families gives you a structured-yet flexible-way to turn small blocks of time into moments for taking seriously their deep and heartfelt questions. By spending some time together as a family with these questions and with the message God reveals in the Scriptures, you will grow together to trust God more fully, to build your lives on a strong foundation, and to be prepared for life's coming challenges.

E-Co-Affectivity Marjolein Oele, 2020-04-01 Offers an interdisciplinary investigation of affectivity in various forms of life. E-Co-Affectivity is a philosophical investigation of affectivity in various forms of life: photosynthesis and growth in plants, touch and trauma in bird feathers, the ontogenesis of human life through the placenta, the bare interface of human skin, and the porous materiality of soil. Combining biology, phenomenology, Ancient Greek thought, new materialisms, environmental philosophy, and affect studies, Marjolein Oele thinks through the concrete, living places that show the receptive, responsive power of living beings to be affected and to affect. She focuses on these localized interfaces to explain how affectivity emerges in places that are always evolving, creative, porous, and fluid. Every interface is material, but is also "more" than its current materiality in cocreating place, time, and being. After extensively describing the effects of the milieu and community within which each example of affectivity takes place, in the final chapter Oele adds a prescriptive, ethical lens that formulates a new epoch beyond the Anthropocene, one that is sensitive to the larger ecological, communal concerns at stake. "This is a very welcome contribution to environmental philosophy. The strikingly original thesis is evident in the book's title: what we call 'ecology' is a co-affectivity—the mutuality of affecting and being affected on the part of species, biological kingdoms, ecosystems, etc. Here, Marjolein Oele melds biology and ontology in new and creative ways, enriching both fields. Her book performs the very theme it explores: it stages a co-affective relation between philosophy and the life sciences." – Michael Marder, author of *Plant-Thinking: A Philosophy of Vegetal Life*

The Norfolk Regiment on the Western Front: 1914-1918 Steve Smith, 2021-12-02 Steve Smith tells the story of the five Battalions of the Norfolk Regiment who served on the Western Front using previously unseen photographs, diaries, accounts, and letters. He has also had full access to the Norfolk Regiment Museum archives. It is the men who served in the Norfolks who will tell this story. This book will interest readers nationally & locally as it not only studies the Regiment's participation in well-known battles such as Ypres and the Somme, but also takes a fresh look at the lesser-known battles fought, battles such as Elouges in 1914 and Kaiserschlacht in 1918. Steve has considered the German perspective too, looking at the men who faced them at places such as Falfemont Farm in 1916. Using new evidence from the Regiment's participation in the Christmas Truce, he separates the truth from myth surrounding the stories of football played at this time, a controversy that still rages. Steve has walked the ground over which they fought and fresh maps complement this research so the book serves as a history book for those at home and a guidebook for those who wish to get out and explore, down to trench level, the ground covered in its pages.

Carson, 2011-03-24 . . . a great blow-by-blow account of an exciting and still-legendary scene. ---Marshall Crenshaw From the early days of John Lee Hooker to the heyday of Motown and beyond, Detroit has enjoyed a long reputation as one of the crucibles of American pop music. In *Grit, Noise, and Revolution*, David Carson turns the spotlight on those hard-rocking, long-haired musicians-influenced by Detroit's R&B heritage-who ultimately helped change the face of rock 'n' roll. An indispensable guide for rock aficionados, *Grit, Noise, and Revolution* features stories of these groundbreaking groups and is the first book to survey Detroit music of the 1960s and 70s-a pivotal era in rock music history.

The Violin Man Colin Thompson, 2004 For as long as anyone can remember, Oscar has played his violin outside the theatre. Every night, as the people queue for their tickets, Oscar fills the air with his music and the echo of his lost dreams. In the old days, his daughter, Marietta, had been there as well, dancing. For just as Oscar dreams of being a famous violinist, it was Marietta's dream to be a famous ballet dancer. But Marietta became ill and now Oscar plays alone. Some nights, though, he catches sight of Marietta's ghost, dancing under the street light. One night, Oscar's dream comes true and he is invited to play in the theatre in front of an audience. They are swept away by his music and his skill. But under the glare of the spotlight, Oscar can't see Marietta dancing. He decides to play only outside on the pavement, where he and Marietta can perform together. 'Don't worry,' he says. 'I won't leave you again.' A lyrical tale of love, loss and music by master storyteller and illustrator, Colin Thompson.
