*A Conspiracy Of Violence* Susanna Gregory,2010-12-02 The dour days of Cromwell are over. Charles II is well established at White Hall Palace, his mistress at hand in rooms over the Holbein bridge, the heads of some of the regicides on public display. London seethes with new energy, freed from the strictures of the Protectorate, but many of its inhabitants have lost their livelihoods. One is Thomas Chaloner, a reluctant spy for the feared Secretary of State, John Thurloe, and now returned from Holland in desperate need of employment. His erstwhile boss, knowing he has many enemies at court, recommends Thomas to Lord Clarendon, but in return demands that Thomas keep him informed of any plot against him. But what Thomas discovers is that Thurloe had sent another ex-employee to White Hall and he is dead, supposedly murdered by footpads near the Thames. Chaloner volunteers to investigate his killing: instead he is despatched to the Tower to unearth the gold buried by the last Governor. He discovers not treasure, but evidence that greed and self-interest are uppermost in men's minds whoever is in power, and that his life has no value to either side.

*The Sanctuary Seeker* Bernard Knight,2014-02-01 Introducing crusader turned county coroner Sir John: the first book in the page-turning Crowner John medieval mystery series, set in twelfth-century England. 1194. Appointed by Richard the Lionheart as the first coroner for the county of Devon, Sir John de Wolfe, recently returned from the Crusades, rides out to the lonely moorland village of

Widcombe to hold an inquest on an unidentified body found in a stream. But on his return to Exeter, the new coroner is incensed to find that his own brother-in-law, Sheriff Richard de Revelle, is intent on thwarting the murder investigation – particularly when it emerges that the dead man is both a Crusader and a member of one of Devon’s finest and most honourable families. Assisted by his loyal bodyguard Gwyn and his new clerk, defrocked priest Thomas, Sir John sets out to solve the mystery – whatever the cost.

*The Tarnished Chalice* Susanna Gregory,2010-12-02 For the twentieth anniversary of the start of the Matthew Bartholomew series, Sphere is delighted to reissue all of the medieval monk's cases with beautiful new series-style covers. -----  
The winter of 1353 has been appallingly wet, there is a fever outbreak amongst the poorer townspeople and the country is not yet fully recovered from the aftermath of the plague. The increasing reputation and wealth of the Cambridge colleges are causing dangerous tensions between the town, Church and University. Matthew Bartholomew is called to look into the deaths of three members of the University of who died from drinking poisoned wine, and soon he stumbles upon criminal activities that implicate his relatives, friends and colleagues - so he must solve the case before matters in the town get out of hand... On a bitter winter evening in 1356, Matthew Bartholomew, Brother Michael and their book-bearer Cynric arrive in Lincoln. Michael is to accept an honour from the cathedral, and Bartholomew is looking for the woman he wants to marry. It is not long before they learn that the friary in which they are staying is not the safe haven they imagine - one guest has already been murdered. It soon emerges that the dead man was holding the Hugh Chalice, a Lincoln relic with a curiously bloody history. Bartholomew and Michael are soon drawn into a web of murder, lies and suspicion in a city where neither knows who can be trusted.

*The Chancellor's Secret* Susanna Gregory,2021-08-05 In 1360, the Great Bridge over the River Cam is close to collapse. To repair it will cost the town and the University dear, especially if its rotten wood is replaced by more durable stone. As arguments rage over raising the money other, equally heated, differences are coming to the boil over the election of a new Chancellor. While the majority support Brother Michael for the post, at least one of his opponents aims to seize it by fair means or foul. Then the discovery of a body under the bridge and the disappearance of two scholars throws a more sinister shadow over both disputes. Matthew Bartholomew, the University's Corpse Examiner, already has his hands full: due to marry in under a fortnight, he is determined to conclude his teaching duties and deal with an outbreak of the summer flux before relinquishing his official duties. With more deaths, an 'accident' at the bridge and an increasing stench of corruption over the financing of the bridge's repairs, he realises he owes more to his soon-to-be former colleagues than to his future life as a secular doctor. But will there be enough time for him to unveil the identities of those who seek to undermine both the town and the University, or will he prove powerless to protect those he loves from death or disgrace or worse?

**The Detective as Historian** Ray B. Browne, Lawrence A. Kreiser, Jr,2013-02 Readers of detective stories are turning more toward historical crime fiction to learn both what everyday life was like in past societies and how society coped with those who broke the laws and restrictions of the times. The crime fiction treated here ranges from ancient Egypt through classical Greece and Rome; from medieval and renaissance China and Europe through nineteenth-century England and America. Topics include: Ellis Peter’s

Brother Cadfael; Umberto Eco's Name of the Rose; Susanna Gregory's Doctor Matthew Bartholomew; Peter Heck's Mark Twain as detective; Anne Perry and her Victorian-era world; Caleb Carr's works; and Elizabeth Peter's Egyptologist-adventurer tales.

**Doomsday Book** Connie Willis,1993-08-01 Connie Willis draws upon her understanding of the universalities of human nature to explore the ageless issues of evil, suffering, and the indomitable will of the human spirit. "A tour de force."—The New York Times Book Review For Kivrin, preparing to travel back in time to study one of the deadliest eras in humanity's history was as simple as receiving inoculations against the diseases of the fourteenth century and inventing an alibi for a woman traveling alone. For her instructors in the twenty-first century, it meant painstaking calculations and careful monitoring of the rendezvous location where Kivrin would be received. But a crisis strangely linking past and future strands Kivrin in a bygone age as her fellows try desperately to rescue her. In a time of superstition and fear, Kivrin—barely of age herself—finds she has become an unlikely angel of hope during one of history's darkest hours.
