We Survived ... at Last I Speak Leon Malmed,2013 This is Leon Malmed's true story of his and his sister Rachel's escape from the Holocaust in Occupied France. When their father and mother were arrested in 1942, their French neighbors agreed to watch their children until they returned. Leon's parents were taken first to Drancy, then to Auschwitz-Birkenau, and they never returned. Meanwhile their downstairs neighbors, Henri and Suzanne Ribouleau, gave the children a home and family and sheltered them through subsequent roundups, threats, air raids, and the war's privations. The courage, sympathy, and dedication of the Ribouleaus stand in strong contrast to the collaborations and moral weakness of many of the French authorities. Papa Henri and Maman Suzanne were honored as Righteous Among the Nations by Yad Vashem in 1977. It is a narrative of love and courage, set against a backdrop of tragedy, fear, injustice, prejudice, and the greatest moral outrage of the modern era. It is a story of goodness triumphing once more over evil--Publisher's description.

**Twelve Years a Slave** Solomon Northup, 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**Briefe Die Ihn Nicht Erreichten** Elisabeth Von Heyking, 2018-04-27 Elisabeth von Heyking (1861-1925), war eine deutsche Schriftstellerin, bekannt vor allem für ihren anonym erschienenen Bestseller Briefe, die ihn nicht erreichten, einen Briefroman, der noch im Erscheinungsjahr die 46. Auflage erreichte und in zahlreiche Sprachen übersetzt wurde. Sie schilderte in ihren Romanen das Leben in höheren Gesellschaftskreisen, das sie als weit gereiste Diplomatenfrau gut kannte. Aus dem Buch: Meine große Freude hier in Vancouver ist es, endlich einmal wieder lange Spaziergänge im Schatten schöner Bäume machen zu können. Wer, wie ich, in einem Waldland aufgewachsen, sehnt sich immer danach zurück. Bäume sind mir wie lebende Wesen und jeder hat seine eigene Physiognomie, seinen Ausdruck, den er, wie wir Menschen auch, durch besondere Erfahrungen und

Erlebnisse allmählich gewonnen hat. Ich begreife so gut, daß die alten Germanen sich die Bäume als Sitz besonderer Gottheiten dachten, und schon als Kind hatte ich einen wahren Abscheu vor Sankt Bonifazius, der den heiligen Baum fällte.

**Dependency in Linguistic Description** Alain Polguère, Igor A. Melnik, 2009-02-18 The book covers three major topics crucial for contemporary syntactic research. Firstly, it offers a sketch of a general theory of dependency in natural language. Different types of linguistic dependencies are distinguished (semantic, syntactic, and morphological), the criteria for their recognition are formulated, and all possible combinations are discussed in some detail. Secondly, it demonstrates the application of the general theory in two specific domains: establishing the system of Surface-Syntactic Relations in French and linear positioning of clitics in Serbian. Thirdly, it presents a formal sketch of Head-Driven Phrase-Structure Grammar modelled in terms of syntactic dependencies.
