Maktub Paulo Coelho,2024-03-05 An essential companion to the inspirational classic *The Alchemist*, filled with timeless stories of reflection and rediscovery. From one of the greatest writers of our age comes a collection of stories and parables unlocking the mysteries of the human condition. Gathered from Paulo Coelho's daily column of the same name, *Maktub*, meaning "it is written," invites seekers on a journey of faith, self-reflection, and transformation. As Paulo Coelho explains, "Maktub is not a book of advice—but an exchange of experiences." Each story offers an illuminated path to see life and the lives of our fellow people around the world in new ways, allowing us to tap into universal truths about our collective and individual humanity. As Coelho writes, "a man who seeks only the light, while shirking his responsibilities, will never find illumination. And one who keep his eyes fixed upon the sun . . . ends up blind." These wise tales offer the perspective of talking snakes, old women climbing mountains, disciples querying their masters, Buddha in dialogue, mysterious hermits, and many saints addressing the mysteries of the universe. Following the path of his previous internationally bestselling works, this thoughtful collection of short, inspirational pieces, introduced in a foreword by the author and illustrated with black-and-white line art throughout, will engage seekers of all ages and backgrounds.

I Am a Field Full of Rapeseed, Give Cover to Deer and Shine Like Thirteen Oil Paintings Laid One on Top of the Other Ulrike Almut Sandig,2020 we find ourselves deep in the future of fairy tale. we are the offspring of our own imaginings. Ulrike Almut Sandig's second volume of poems to be translated into English is a journey through a

world that is imaginary yet entirely recognizable. Precise observation of the concrete is mixed with playful humor, inspired musicality, and an anxious reckoning with undercurrents of violence. Borrowing from the Brothers Grimm, the collection explores the darker side of their fairy tales as a backdrop for very contemporary concerns: Migration, war, the rise of the new right, ecological threat, information overload, and political apathy. At the same time, Sandig plays with the German meaning of the word Grimm rage. That emotion permeates the collection as a reaction to the darkness in the collective German consciousness. Yet the book is also animated by the passionate, expansive empathy--and reminds us what it is to be human. Always inventive, Sandig teases us here with multiple versions of the self, and multiple voices all in search of the origins of poetry in hidden places: in the silence before language, in the wings, in the field of rapeseed deep in the snow.

**Live Oak, with Moss** Walt Whitman,Brian Selznick,2019-04-09 “Reading this book, what becomes eminently clear is that Selznick is laying the groundwork for GLBTQIA+ literary history . . . as it pertains to Whitman.” –School Library Journal As he was turning forty, Walt Whitman wrote twelve poems in a small handmade book he entitled “Live Oak, With Moss.” The poems were intensely private reflections on his attraction to and affection for other men. They were also Whitman’s most adventurous explorations of the theme of same-sex love, composed decades before the word “homosexual” came into use. This revolutionary, extraordinarily beautiful and passionate cluster of poems was never published by Whitman and has remained unknown to the general public—until now. New York Times–bestselling and Caldecott Award–winning illustrator Brian Selznick offers a provocative visual narrative of “Live Oak, With Moss,” and Whitman scholar Karen Karbiener reconstructs the story of the poetic cluster’s creation and destruction. Walt Whitman’s reassembled, reinterpreted Live Oak, With Moss serves as a source of inspiration and a cause for celebration. “In harmony, the art, the poems, and [Karbiener’s] analysis all honor while illuminating Whitman’s work and make it more accessible to contemporary readers.” –Publishers Weekly

**Literary Translation, Reception, and Transfer** Norbert Bachleitner,2020-09-21 The three concepts mentioned in the title of this volume imply the contact between two or more literary phenomena; they are based on similarities that

are related to a form of 'travelling' and imitation or adaptation of entire texts, genres, forms or contents. Transfer comprises all sorts of 'travelling', with translation as a major instrument of transferring literature across linguistic and cultural barriers. Transfer aims at the process of communication, starting with the source product and its cultural context and then highlighting the mediation by certain agents and institutions to end up with inclusion in the target culture. Reception lays its focus on the receiving culture, especially on criticism, reading, and interpretation. Translation, therefore, forms a major factor in reception with the general aim of reception studies being to reveal the wide spectrum of interpretations each text offers. Moreover, translations are the prime instrument in the distribution of literature across linguistic and cultural borders; thus, they pave the way for gaining prestige in the world of literature. The thirty-eight papers included in this volume and dedicated to research in this area were previously read at the ICLA conference 2016 in Vienna. They are ample proof that the field remains at the center of interest in Comparative Literature.

World Authorship Tobias Boes,Rebecca Braun,Emily Spiers,2020-09 The original essays in Oxford Twenty-First Century Approaches to Literature mean to provoke rather than reassure, to challenge rather than codify. Instead of summarizing existing knowledge, scholars working in the field aim at opening fresh discussion; instead of emphasizing settled consensus they direct their readers to areas of enlivened and unresolved debate. Booksellers, authors, and academics have been talking about world literature since Goethe made the term fashionable in the early nineteenth century. Yet amidst all the talk of books that 'circulate' and literature as a kind of universal property that can function as a 'window on the world', how do we account for the people who live in real places, and who write, translate, market, and read the texts that travel on these global journeys? World Authorship breaks new ground by showing how to bring together the real-world contexts of authorship with the literary worlds of fiction. Written by world-leading academics and creative professionals including authors, translators, publishers, editors, prize jurors, and literary festival organizers, World Authorship updates Michael Foucault's 'author function' by significantly expanding the network of people and practices involved in literature. It covers keyword aspects of world authorship, grounding them in the study of actual literary texts to illuminate how literature is shared and made in different parts of the world and at different times in history. At the heart of all contributions, however, is one key question: where is the human element in world literature? By covering everything from 'Beginnings' to 'Voice', World Authorship provides the answer.

**Letters of a Russian Traveler, 1789-1790** N. M. Karamzin,2018-12-01 During 1789-90, Nikolai Mikhailovich Karamzin, a young poet and short-story writer, toured Western Europe. On his return, he distilled his impressions in the form of travel letters. Letters of a Russian Traveler, 1791-1801, in which Karamzin's impressions are woven into a wealth of information about Western European society and culture that he derived from wide reading, became

a favorite of readers and was widely imitated. The most influential prose stylist of the eighteenth century, Karamzin shaped the development of the Russian literary language, introducing many Gallicisms to supplant Slavonic-derived words and idioms and breaking down the classicist canons of isolated language styles.

*Barbarian Spring* Jonas Lüscher, 2015-03-15 On a business trip to Tunisia, Preising, a leading Swiss industrialist, is invited to spend the week with the daughter of a local gangster. He accompanies her to the wedding of two London city traders at a desert luxury resort that was once the site of an old Berber oasis. With the wedding party in full swing and the bride riding up the aisle on a camel, no one is aware that the global financial system stands on the brink of collapse. As the wedding guests nurse their hangovers, they learn that the British pound has depreciated tenfold, and their world begins to crumble around them. So begins *Barbarian Spring*, the debut novel from Jonas Lüscher, a major emerging voice in European fiction. The timely and unusual novel centers on a culture clash between high finance and the value system of the Maghreb. Provocative and entertaining, *Barbarian Spring* is a refreshingly original and all-too-believable satire for our times.
