Season of Life Jeffrey Marx,2007-11-01 The bestselling inspirational book in which the author reunites with a childhood football hero, now a minister and coach, and witnesses a revelatory demonstration of the true meaning of manhood—Season of Life is a book that "should be required reading for every high school student in America and every parent as well" (Carl Lewis, Olympic champion). Joe Ehrmann, a former NFL football star and volunteer coach for the Gilman high school football team, teaches his players the keys to successful defense: penetrate, pursue, punish, love. Love? A former captain of the Baltimore Colts and now an ordained minister, Ehrmann is serious about the game of football but even more serious about the purpose of life. Season of Life is his inspirational story as told by Pulitzer Prize-winning journalist Jeffrey Marx, who was a ballboy for the Colts when he first met Ehrmann. Ehrmann now devotes his life to teaching young men a whole new meaning of masculinity. He teaches the boys at Gilman the precepts of his Building Men for Others program: Being a man means emphasizing relationships and having a cause bigger than yourself. It means accepting responsibility and leading courageously. It means that empathy, integrity, and living a life of service to others are more important than points on a scoreboard. Decades after he first met Ehrmann, Jeffrey Marx renewed their friendship and watched his childhood hero putting his principles into action. While chronicling a season with the Gilman Greyhounds, Marx witnessed the most extraordinary sports program he'd ever seen, where players say "I love you" to each other and coaches profess their love for their players. Off the field Marx sat with Ehrmann and absorbed life lessons that led him to reexamine his own unresolved relationship with his father. Season of Life is a book about what it means to be a man of substance and impact. It is a moving story that will resonate with athletes, coaches, parents—anyone struggling to make the right choices in life.

Israel Is Real Rich Cohen, 2009-07-21 A NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE A SAN FRANCISCO CHRONICLE BESTSELLER In AD 70, when the Second Temple was destroyed, a handful of visionaries saved Judaism by reinventing it, taking what had been a national religion and turning it into an idea. Whenever a Jew studied—wherever he was—he would be in the holy city, and his faith preserved. But in our own time, Zionists have turned the book back into a temple, and unlike an idea, a temple can be destroyed. With exuberance, humor, and real scholarship, Rich Cohen's *Israel Is Real* offers a serious attempt by a gifted storyteller to enliven and elucidate Jewish religious, cultural, and political history . . . A powerful narrative (Los Angeles Times).

The Presence Process Michael Brown, 2010 Why is it so difficult to simply be present? The reason is that our deeply suppressed emotional imprints from childhood which Eckhart Tolle calls the pain-body distract from an awareness of the present moment. We are not broken and don't need to be healed but rather, our discomfort needs to be integrated. The Presence Process is a journey that guides readers into taking responsibility for our emotional integration. It is a way to consciously grow up and become responsible for determining the quality of our personal experience. The book teaches readers how to exercise authentic personal responsibility in a practical manner and reveals the mechanics that shape the way they feel about their lives. It offers a simple, practical approach to accomplishing and maintaining personal peace in the midst of globally accelerating change, discomfort, conflict, and chaos.
