Lean on Pete Willy Vlautin, 2010-02-04 Fifteen-year-old Charley Thompson wants a home; food on the table; a high school he can attend for more than part of a year; and some structure to his life. But as the son of a single father working at warehouses across the Pacific Northwest, he's been pretty much on his own for some time. Lean on Pete opens as he and his father arrive in Portland, Oregon and Charley takes a stables job, illegally, at the local race track. Once part of a vibrant racing network, Portland Meadows is now seemingly the last haven for washed up jockeys and knackered horses, but it's

there that Charley meets Pete, an old horse who becomes his companion as he's forced to try to make his own way in the world. A portrait of a journey - populated by a vivid cast of characters against a harsh landscape - Lean on Pete is also the unforgettable story of a friendship and of hope in dark times.

A Monster Calls Patrick Ness, Siobhan Dowd, 2013-08-27 NOW A #1 NEW YORK TIMES BESTSELLER! An unflinching, darkly funny, and deeply moving story of a boy, his seriously ill mother, and an unexpected monstrous visitor. At seven minutes past midnight, thirteen-year-old Conor wakes to find a monster outside his bedroom window. But it isn't the monster Conor's been expecting-- he's been expecting the one from his nightmare, the nightmare he's had nearly every night since his mother started her treatments. The monster in his backyard is different. It's ancient. And wild. And it wants something from Conor. Something terrible and dangerous. It wants the truth. From the final idea of award-winning author Siobhan Dowd-- whose premature death from cancer prevented her from writing it herself-- Patrick Ness has spun a haunting and darkly funny novel of mischief, loss, and monsters both real and imagined.

Dictionary of Louisiana French Albert Valdman, Kevin James Rottet, 2010 The Dictionary of Louisiana French (DLF) provides the richest inventory of French vocabulary in Louisiana and reflects precisely the speech of the period from 1930 to the present. This dictionary describes the current usage of French-speaking peoples in the five broad regions of South Louisiana: the coastal marshes, the banks of the Mississippi River, the central area, the north, and

the western prairie. Data were collected during interviews from at least five persons in each of twenty-four areas in these regions. In addition to the data collected from fieldwork, the dictionary contains material compiled from existing lexical inventories, from texts published after 1930, and from archival recordings. The new authoritative resource, the DLF not only contains the largest number of words and expressions but also provides the most complete information available for each entry. Entries include the word in the conventional French spelling, the pronunciation (including attested variants), the part of speech classification, the English equivalent, and the word's use in common phrases. The DLF features a wealth of illustrative examples derived from fieldwork and textual sources and identification of the parish where the entry was collected or the source from which it was compiled. An English-to-Louisiana French index enables readers to find out how particular notions would be expressed in la Louisiane .

The Enchanted Rene Denfeld,2014-03-04 "The Enchanted wrapped its beautiful and terrible fingers around me from the first page and refused to let go after the last. A wondrous book that finds transcendence in the most unlikely of places. . . . So dark yet so exquisite." – Erin Morgenstern, author of *The Night Circus* An astonishing and redemptive novel for readers of Alice Sebold and Toni Morrison, told from the point of view of a convict whose magical interpretations of prison life allow him to find absolute joy while isolated from the rest of humanity and a female investigator who experiences her own personal salvation in her work as a death penalty investigator. This is an enchanted place. Others don't see it but I do. The enchanted place is a high security prison and is relayed through the eyes of an inmate on death row who escapes his surroundings by immersing himself in books, and by re-imagining the world that surrounds him. Instead of focusing on the cloudy medical vines that snake across the floor, empty and waiting for the warden's finger to press the red buttons, our narrator sees golden horses as they run deep under the earth, heat flowing like molten metal from their backs. A woman and fallen priest haunt the prison halls--an unnamed female investigator only known as the Lady who is known for discovering information relating to soon-to-be executed inmates' backgrounds that can be used to overturn their sentences. She is put on the case of a man named York and as she digs into his past, the experience brings up ghosts of her own and threatens to destroy everything that she has come to know about the enchanted place. The Enchanted is a magical novel about redemption, the humanity that can lie within what is monstrous, and the human capacity to transcend and survive.
