*Year One* Nora Roberts, 2017-12-05 #1 NEW YORK TIMES BESTSELLER (December 2017) A stunning new novel from the #1 New York Times bestselling author Nora Roberts—Year One is an epic of hope and horror, chaos and magick, and a journey that will unite a desperate group of people to fight the battle of their lives... It began on New Year's Eve. The sickness came on suddenly, and spread quickly. The fear spread even faster. Within weeks, everything people counted on began to fail them. The electrical grid sputtered; law and government collapsed—and more than half of the world's population was decimated. Where there had been order, there was now chaos. And as the power of science and technology receded, magick rose up in its place. Some of it is good, like the witchcraft worked by Lana Bingham, practicing in the loft apartment she shares with her lover, Max. Some of it is unimaginably evil, and it can lurk anywhere, around a corner, in fetid tunnels beneath the river—or in the ones you know and love the most. As word spreads that neither the immune nor the gifted are safe from the authorities who patrol the ravaged streets, and with nothing left to count on but each other, Lana and Max make their way out of a wrecked New York City. At the same time, other travelers are heading west too, into a new frontier. Chuck, a tech genius trying to hack his way through a world gone offline. Arlys, a journalist who has lost her audience but uses pen and paper to record the truth. Fred, her young colleague, possessed of burgeoning abilities and an optimism that seems out of place in this bleak landscape. And Rachel and Jonah, a resourceful doctor and a paramedic who fend off despair with their determination to keep a young mother and three infants in their care alive. In a world of survivors where every stranger encountered could be either a savage or a savior, none of them knows exactly where they are heading, or why. But a purpose awaits them that will shape their lives and the lives of all those who remain. The end has come. The beginning comes next.

**Carolina Moon** Nora Roberts, 2012-12-04 #1 New York Times bestselling author Nora Roberts presents a novel of redemption and suspense, as a woman haunted by the unsolved murder of her childhood friend returns to her small South Carolina hometown. . . . Tory Bodeen grew up in a run-down house where her father ruled with an iron fist and a leather belt—and where her dreams and talents had no room to flourish. Her one escape was her neighbor Hope, who lived in the big house

just a short skip away, and whose friendship allowed Tory to be something she wasn't allowed to be at home: a child. Then Hope was brutally murdered, and everything fell apart. Now, as she returns to Progress with plans to settle in and open a stylish home-design shop, Tory is determined to find a measure of peace and free herself from the haunting visions of the past. As she forges a new bond with Cade Lavelle—Hope's older brother and the heir to the family fortune—she isn't sure whether the tragic loss they share will unite them or drive them apart. But she is willing to open her heart, just a little, and try. But living so close to those unhappy memories will be more difficult and frightening than Tory could ever have expected. Because Hope's murderer is nearby as well. . . . "Roberts may have achieved her personal best in this tense Southern Gothic. As atmospheric and unsettling as a Tennessee Williams play. . . . This is romantic drama at its best."—Publishers Weekly (starred review)
