Samuel Freiherr von Pufendorf

The Imperfections Sam Mariano, 2019-11-27 Brantley Morrison is a drinker of whiskey, a solver of problems, and a collector of mutts; the kind of loyal, hardworking guy you want on your side—and you'd best not get on the wrong side of. Alyssa Walton never meant to find herself on Brant's bad side—never even met the man until he showed up in her bedroom with a loaded gun and a plan to destroy her. When Alyssa and Brant collide, his simple problem-solving mission gets a whole lot more complicated. Turns out, Alyssa is nothing like he expected, and she just might be everything he's ever wanted. Sure, she's a little afraid of him, but every relationship has its obstacles. Brant's never had anyone like Alyssa around, someone loyal and kind who smoothes over his rough edges like she was born to do it. Alyssa's never met a man like Brant, either, and while she admires the way he looks out for those he loves, she can't help wondering, who's looking out for Brant? Now, faced with wanting the girl he was never supposed to keep, Brant has to make an impossible choice. Does he give up the girl who has brought sunshine into his lonely life, or does he hold on tight, even if it might mean letting down the people he's spent his whole life protecting? ****The Imperfections* is a full-length standalone novel that includes dark themes. ***

How the Hitman Stole Christmas Sam Mariano,2020-12-31 JASPERI didn't plan to kidnap her. I was just doing a good deed. I saw a car stranded on the side of the road in the middle of a snowstorm and decided to help-didn't expect to get anything out of it.Even criminals can do nice things every once in a while. When I approached the driver, my motives were as pure as the snowflakes clinging to the silky strands of her long, dark hair. Her tire had popped and she didn't know how to change it. Clearly, the damsel was in distress. Unfortunately for her, I'm no white knight. Now, I'm a decisive man. Once I make a decision, it's pretty much a done deal-and it didn't take me long to decide Autumn was going home with me for the holidays, whether she wanted to or not. I was prepared for stealing Autumn to change my plans, but I wasn't prepared for her to be such a quick study. I may be the one who stole a girlfriend for Christmas, but if I'm not careful, this pretty little snowflake just might steal my heart.***How the Hitman Stole Christmas* is a full-length, standalone novel.Note: this holiday romance features a bad guy hero. He's certainly not my worst, but he is a professional criminal, so if you aren't a fan of antiheroes, you may not enjoy this tale. This is not your mama's clean, wholesome Hallmark Christmas love story. There's plenty of lightness to be found between the pages (especially if you can embrace the crazy like I can), but there will be dark themes that may agitate some. There are plenty of sweet, pure-as-the-driven-snow romances available to those who want them around the holidays; this one is for those of us who like their love stories a little edgier, even at Christmastime.:)

Stitches Sam Mariano,2018-01-27 I suppose it all started half a lifetime ago when a mean-looking kid named Griff walked into my life.When we found the stability in one another we couldn't find in the world.When two lonely kids became brothers.As kids, we had no place in the world, so as men, we made our own. We took on everything together, building our own empire-partners in business and in life.I guess that's where it got complicated.When I fell in love with Moira, and Griff had to share me for the first time.When he liked what belonged to me just a little too much, and he started avoiding both of us until he came up with his own shitty way of coping.I don't know exactly when it all started, to be honest, but I know when it all fell apart.There are exactly two people in the world who have my love, so what the hell am I supposed to do when holding onto one means losing the other?What I always do, I guess.Handle it.*Stitches* is a MFM ménage romance intended for adults 18+

Darling Venom Parker S. Huntington,2021-12-10 From Wall Street Journal bestseller Parker S. Huntington comes a broken love story laced with angst and forbidden romance.I wasn't supposed to be on that roof on Valentine's Day.Neither was Kellan Marchetti, the school's designated freak.We met on the verge of ending our lives.Somewhat,

the tattered strings of our tragedies tangled and tightened into an unlikely bond. We decided not to take the plunge and agreed to check on each other every Valentine's Day until school ended. Same time. One roof. Two restless souls. We kept our promise for three years. On the fourth, Kellan made a decision, and I was left to deal with the consequences. Just when I thought our story ended, another one began. They say all love stories look the same and taste different. Mine was venomous, disgraceful, and written in scarlet scars. My name is Charlotte Richards, but you can call me Venom.

The Forbidden Man Karina Halle, 2019-12-11 A reckless and irresistible soccer star. A forbidden affair that could ruin her career. The locker room has never been this steamy. Starting over was her only option. Forty-years old and still reeling from a public and painful divorce, Thalia Blackwood is looking for a fresh start, somewhere far away from her upside down life. When she's offered a new job as the sports therapist for a football (soccer) team, she jumps at the chance. This is just what she needs to leave the heartbreak and shame of Manchester behind, trading it in for the warmth and hopeful vibrancy of Madrid. He was her only desire. Alejo Albarado is rising up the ranks in his career. As the charming forward for the Real Madrid team, Alejo's life revolves around women, parties, and being a tabloid darling, that is until the new sports therapist joins the team. Their passion could not be ignored. What starts out as a strictly professional relationship between Thalia and the young Spanish player, slowly evolves into something more. Much more. Their relationship was forbidden. But their combustible chemistry and simmering sexual tension can only go so far--should Thalia give into Alejo's advances, she's at risk of not only losing her job, but succumbing to a younger man will drag her through the spotlight again. Alejo might be worth that risk. Unless he breaks her heart in the process. *The Forbidden Man* is a full-length standalone romance. Characters from *Love, in English* make a cameo in this book, however *The Forbidden Man* is intended to be read as a STANDALONE. This book is approximately 500 pages long and was previously titled *The Younger Man*.

The Sense of an Ending Julian Barnes, 2011-10-05 BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about--until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single sitting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.
