**Dwight L. Moody**

**a Heaven is for Real Deluxe Edition** Todd Burpo, 2011-10-31 #1 New York Times bestseller with more than 11 million copies sold! When 4-year-old Colton Burpo emerges from life-saving surgery with remarkable stories of his visit to heaven, his family doesn't know what to believe. *Heaven is For Real* details what Colton saw and his family's journey towards accepting their young son had visited the afterlife. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." Colton told his parents he left his body during an emergency surgery—and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation. He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he'd never met. Colton also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, even though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton recounts his visit to heaven, describing: Meeting long-departed family members Jesus, the angels, how "really, really big" God is, and how much God loves us How Jesus called Todd, Colton's father, to be a pastor The Battle of Armageddon Retold by his father, but using Colton's uniquely simple words, *Heaven Is for Real* offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." *Heaven Is for Real* will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Praise for *Heaven is for Real*: "A beautifully written glimpse into heaven that will encourage those who doubt and thrill those who believe." —Ron Hall, coauthor of *Same Kind of Different as Me*

**Heaven Is for Real** Todd Burpo, Lynn Vincent, 2016-07-11 A young boy emerges from life-saving surgery with remarkable stories of his visit to heaven. *Heaven Is for Real* is the true story of the four-year old son of a small town Nebraska pastor who during emergency surgery slips from consciousness and enters heaven. He survives and begins talking about being able to look down and see the doctor operating and his dad praying in the waiting room. The family didn't know what to believe but soon the evidence was clear. Colton said he met his miscarried sister, whom no one had told him about, and his great grandfather who died 30 years before Colton was born, then shared impossible-to-know details about each. He describes the horse that only Jesus could ride, about how reaaally big God and his chair are, and how the Holy Spirit shoots down power from heaven to help us. Told by the father, but often in Colton's own words, the disarmingly simple message is heaven is a real place, Jesus really loves children, and be ready, there is a coming last battle.

*God Is for Real* Todd Burpo, David Drury, 2017-09-26 *God is for Real*, a new book from author of the best-seller *Heaven is for Real*, addresses soul-searching questions about God, like What is God like? Why are things the way they are in spite of who God is? If Todd's first book, *Heaven Is for Real*, was about the then and there of heaven, *God is for Real* is about the here and now on earth: Why are there are so many hypocritical church people? Why do Christians make such a big deal about the cross? Why doesn't God seem to answer our biggest prayers? People are tired of pat answers offered up in churchy language explaining away their questions; we want the down-and-dirty truth. What bothers us about life and faith is real and gritty. We need a plain-spoken voice to offer God's answers to difficult struggles and painful doubts. Todd charges into these subjects with a fireman's courage, a small-town friend's vulnerability, and a local pastor's compassion. He helps articulate the questions people have, then gives them relevant biblical wisdom for taking their next steps in faith. God is ready to meet you! Are you ready to meet Him?

**Heaven is for Real Movie Edition** Todd Burpo, 2014-03-11 "This story has incredible intrigue and emotional power." --Randall Wallace, Director *Heaven Is for Real, We Were Soldiers, and Secretariat* "Do you remember the hospital, Colton?" When four-year-old Colton Burpo made it through an emergency appendectomy his family was overjoyed at his miraculous survival. What they weren't expecting, though, was the story that emerged in the following months—a story as beautiful as it was extraordinary, detailing their little boy's trip to heaven and back. This true story, retold by his father but using Colton's uniquely simple words, offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." *Heaven is for Real* will forever change the way you think of eternity, offering the chance to see, and believe like a child. The story of Todd Burpo's son and his visit to heaven is known far and wide. It has even become a movie and an international sensation. Yet, the veracity of the story's details have not been fully examined, not until now. Is the heart of the Burpos' story a contradiction or inconsistent at best? Does each new version of the story question that before it? Did Todd Burpo use suggestive language to bring out a child's natural imagination? Those are questions for you to ask, as you read the author's book. The author's intention is not to shame the Burpo family in anyway. Instead, she seeks to bring light to a story, so that readers can make their own determination. The author, a well-versed and practicing Christian, uses her study of Forensic Psychology to demonstrate that even though the truth may seem more boring than fiction, it is still the truth. Is Heaven for Real? What is real, is not always as it appears...

O Céu Existe Mesmo Todd Burpo, 2012-02-28 Colton Burpo tinha quatro anos quando foi operado de urgência. Meses mais tarde, começou a falar daquelas breves horas em que esteve entre a vida e a morte, e da sua extraordinária visita ao céu. O seu relato só agora foi revelado pelos pais. E tornou-se num fenómeno editorial sem precedentes. Foi em 2003 que o pequeno Colton, sentado na sua cadeirinha no banco de trás do carro, começou a falar sobre os anjos que o tinham visitado durante a operação à apendicite aguda... O pai, sacerdote, nem queria acreditar. Estacionou, respirou fundo, e fez algumas perguntas ao filho. E o miúdo respondeu, sem dar muita importância ao assunto. Falou do que viu, dos seus encontros com Deus e com Jesus, das visões que teve durante a cirurgia, da mãe e do pai a rezarem enquanto ele era operado. Foi apenas o início. Colton tinha de facto visitado o céu, e trazia consigo uma importante mensagem para partilhar...

And those who've never been at a turning point can skip to the parts where she talks about meeting Bradley Cooper.
