MKULTRA Mind Control, rituelle Gewalt und eine globale Agenda Marcel Polte,2019

Dark New World Order Part 1 Marcel Polte,2019-10-02 Since the 1950s, U.S. military and intelligence agencies have systematically tortured and abused children. Their goal: the creation of mind-controlled slaves to be used for child prostitution (blackmailing), child pornography, drug trafficking and assassinations. A natural protective mechanism makes this possible. If the agony becomes unbearable, the victim uncouples parts of his perception (dissociation). In the most extreme form this means: the child's personality splits. The new inner person can then be programmed as desired by the perpetrators. What sounds like a cruel horror story is frightening reality. The German lawyer Dr. Marcel Polte presents in this book the evidence for the CIA's inhuman program called Project MKULTRA. He not only evaluates released intelligence documents and investigation files, but also minutes of court hearings, Senate hearings and an advisory committee appointed by President Clinton, as well as the testimonies of survivors and their therapists. This shows a disturbing connection: the victims often come from old satanic families, and their cults are not only internationally networked, they use the same highly complex mind control techniques as the CIA. In addition - largely unnoticed by the public - there are rituals, human sacrifices and cannibalism, in the USA and in Germany as well. The author now reveals for the first time what lies behind all this.

Conspiracy Fact: MKULTRA and Mind Control in the United States Kate Marcello,2015-03-05 Mind Control in the United States? Hard to believe? The series **Conspiracy Fact Declassified** is back again to prove it happened. Through declassified documents and various other sources, we further explore human experimentation. This time we zoom in specifically on mind control and the Top Secret government projects that examined this realm. We name the names. This compelling book is sourced throughout. You'll find out about how the U.S. ferried Nazi scientists into the country after World War II, and how that single operation became the catalyst for the creation of MULTIPLE experimental projects. You'll find out how those projects sourced more than 88 institutions nationwide to perform mind control experiments on unwitting citizens. You will hear from survivors. As usual with Kate Marcello, you'll get that resource-packed Addendum at the end of the book with more information to explore. This time, we couldn't fit everything in this section of the book so you will also get access to a massive supplement file containing ALL of the declassified documents pertaining to MKULTRA. In addition, it's also packed with other documents and photos pertaining to the author's research on MKULTRA. Free to download, it is well over a GB of information. Monarch Mind (Mind Control, MK ULTRA) Dalia Daudelin,2013-07-16 Monarch mind control was an offshoot of the MK ULTRA experiments. The women exposed to these experiments were turned into sex slaves, dolls that would do anything for their handler. If they were told to have sex with someone, they did. If they were told to kill someone... they did. Mel is a dirt poor girl with an extraordinary gift that throws her, her family, and her friends into danger. When her voice causes an obsessive stranger to notice her, she quickly finds herself thrown into a world she never knew existed. This 10,000 word erotic science fiction novelette has exhibitionism, mind control, dubious consent and romance.

Formen der Spiritualität und die Heilslehre über die 'Philosophia perennis' in kritischer Beleuchtung BAND IV Holger Karsten Schmid,2024-01-24 Immer wieder neue Heilsanbieter profilieren sich als faszinierende monetäre Lichtgestalten mit ihren Projekten, Mysterienschulen, Instituten, medialen Ausbildungsangeboten, Workshops und Gruppen, um zuletzt miteinander zu konkurrieren, Im Coaching-Sektor tummeln sich

Spiritual-Teacher, die ihre von diversen Geistführern oder inkarnationsfreudigen Aliens als Empfangskanal in Trance-Speakings vermittelten Lehren weiter verbreiten und dafür werben, deren Energien für angeblich tiefere oder ganzheitlichere innere Heilungsprozesse zu nutzen. Zunehmend mehr Menschen verüben spirituelle Praktiken ohne zu wissen, auf was und worauf sie sich dabei wirklich einlassen. Der Autor beschreibt verschiedene Ausdrucksformen der Spiritualität, klärt die Hintergründe und Zielsetzungen dieser auf und macht deutlich, woran man erkennen kann, ob es sich dabei wirklich um heilsame oder um unheilvolle spirituelle Wege handelt, wann eine geistige Erweckung, wann und wodurch eine spirituelle Krise entsteht. Er belegt, wie die Herrscher des Kosmos, die Kosmokratoren, Pseudoheilungen, -wunder, -erweckungen, -visionen, -reinkarnationserinnerungen, -erleuchtungen, -charismata (Siddhis), -weissagungen- -offenbarungen und -heilslehren bewirken, vermitteln, und dabei ganz andere Ziele verfolgen als vorgegeben. Bekanntlich werden Interessenten mit Halbwahrheiten geködert. Selbst als eine Magd in Philippi, eine Wahrsagerin, fromme Prophezeiungen gab und fromm redete, entlarvte Paulus den Geist in ihr (Apg. 16,16 f.). Der Autor zeigt das Gefährdungspotential religiös unterbauter Medialität und einer Instant-Spiritualität auf, während er gleichzeitig neue Glaubensgewissheiten schafft, die zu einer heilsamen Ehrfurcht vor dem Leben, vor dem Schöpfer, zu tiefem innerem Frieden führen.

Trance Formation of America Cathy O'Brien,Mark Phillips,1995 This is the documented autobiography of a victim of government mind control. Cathy O'Brien is the only vocal and recovered survivor of the Central Intelligence Agency's MK-Ultra Project Monarch mind control operation. Chiseled deep into the white stone of the CIA's Langley, Virginia headquarters is a partial verse lifted from the Holy Bible and writings of Saint John...and the truth shall set you free. This statement, like the agency, is total reality. The building that it is engraved upon houses the world's most successful manufacturer of lies to facilitate psychological warfare. The Company uses truth and technology as their raw materials to produce pure lies for control of you and America's allies.

The Enslaved Queen Wendy Hoffman,2019-04-20 A pertinent and crucially important memoir exposing the existence and practices of organised criminal groups who abuse children. Written by a survivor of mind control and ritual abuse, who is also a therapist, this moving memoir will help survivors of abuse, and provide important information for professionals about the dissociative brain. Hoffman's poetic prose contrasts with the horror of the subject matter. The adult journeys back to give voice to infant and child parts of her, describing her handlers' early interventions to destroy bonding and create dissociation, the foundation of reverse-Kabbalah suicide and pathway programming, and the installation of mind control. Scenes from ordinary life are interspersed throughout the memoir: Nazi post-war recruitment of American subjects during the 1940s and 50s (including the infamous Dr. Mengele), children used for prostitution, pornography and the drug trade along with the workings of the Illuminati leadership and their international Feast of the Beast rituals are all included. The memoir also covers attempts at recovery, experiences with cult therapists in disguise and finally the author's work with an honest, competent therapist, which led to healing and her brain melding together. Ultimately, *The Enslaved Queen* acknowledges spiritual experiences, the power of love, the memory process, and thoughts on living and surviving a life such as hers.

The Hazards of Immunization Graham Wilson,2002-02-01

Yann Tiersen - Kerber Yann Tiersen,2021-07-01 (Piano Solo Songbook). I think there is a similarity between the infinite big and the infinite smallness of everything, says Yann Tiersen. It's the same experiment looking through a microscope as it is a telescope. Named after a chapel in a small village on the island of Ushant, Kerber marks a new

chapter in critically-acclaimed composer Yann Tiersen's career. A chapter still true to Tiersen's nuanced and subtle approach but one that sets out with his most overtly electronic material to date. Beautifully textured, highly immersive and thoughtfully constructed, Tiersen creates an electronic world, providing an environment in which the piano source exists. A sense of place has often been a central theme in Tiersen's work and here that is no different. Each track is tied to a place mapping out the immediate landscape that surrounds Tiersen's home, linking back to his thoughts on the possibilities of the infinite smallness. This official, exclusive folio is beautifully printed on high-quality, uncoated paper with striking graphic artwork. All seven pieces are presented for solo piano and follow an exclusive introduction to the project.

Dark New World Order. Part 2 Marcel Polte, 2021-04-19 In Part 1, the connections between the CIA's mind control project (MKULTRA) and satanic family structures were revealed, in which children are abused, tortured and sacrificed while their personalities are split. It was shown that the perpetrators are striving for a New World Order and belong to a globally networked secret organization. Now, the author investigates who is behind the military-satanic complex. Witnesses and insiders claim that these are beings from another dimension. But can this be true? In his research, the author came across not only numerous historical sources, but also witness accounts from around the world that prove just that. He spoke with eyewitnesses and finally came into contact with the secret forces himself. Now, for the first time, the communication with the satanic henchmen is made public. It becomes apparent that we can only understand the power game on Earth from the perspective of a multidimensional universe. But the spiritual concept that can explain this complex interplay has also been conveyed. From all this follows: Mankind is facing its greatest challenge.

Cosmic Voyage Courtney Brown, 1996 Through Scientific Remote Viewing, the author reveals that at least two alien civilizations have been and continue to be intimately involved with Earth humans: a Martian race who ... still struggle to survive on their nearly dead planet; and the Greys, a highly advanced humanoid people.

Futilitarianism Neil Vallely, 2021-11-16 A proposal for countering the futility of neoliberal existence to build an egalitarian, sustainable, and hopeful future. If maximizing utility leads to the greatest happiness of the greatest number of people, as utilitarianism has always proposed, then why is it that as many of us currently maximize our utility--by working endlessly, undertaking further education and training, relentlessly marketing and selling ourselves--we are met with the steady worsening of collective social and economic conditions? In *Futilitarianism*, social and political theorist Neil Vallely eloquently tells the story of how neoliberalism transformed the relationship between utility maximization and the common good. Drawing on a vast array of contemporary examples, from self-help literature and marketing jargon to political speeches and governmental responses to the COVID-19 pandemic, Vallely coins several terms--including the futilitarian condition, homo futilitus, and semio-futility--to demonstrate that in the neoliberal decades, the practice of utility maximization traps us in useless and repetitive behaviors that foreclose the possibility of collective happiness. This urgent and provocative book chimes with the mood of the time by at once mapping the historical relationship between utilitarianism and capitalism, developing an original framework for understanding neoliberalism, and recounting the lived experience of uselessness in the early twenty-first century. At a time of epoch-defining disasters, from climate emergencies to deadly pandemics, countering the futility of neoliberal existence is essential to building an egalitarian, sustainable, and hopeful future.

The Protocols of the Learned Elders of Zion Sergei Nilus, Victor Emile

Marsden,2019-02-26 The Protocols of the Elders of Zion is almost certainly fiction, but its impact was not. Originating in Russia, it landed in the English-speaking world where it caused great consternation. Much is made of German anti-semitism, but there was fertile soil for The Protocols across Europe and even in America, thanks to Henry Ford and others.

Human Race Get Off Your Knees David Icke,2010 David Icke marks his 20th year of uncovering astounding secrets and suppressed information with the publication of his most amazing book yet: Human Race Get off Your Knees : The Lion Sleeps No More. He takes the manipulation of the human race and the nature of reality to still new levels of understanding and he calls for humanity to rise from its knees and take back the world from the sinister network of families and non-human entities that covertly control us from cradle to grave. His most staggering revelation is that the Earth and the collective human mind is manipulated from the Moon, which, he says, is not a 'heavenly body, but an artificial construct - a gigantic 'spacecraft' (probably a hollowed-out 'planetoid') - which is home to the extraterrestrial group that has been manipulating humanity for aeons. Humanity is at a fork in the road and it is time to make a choice. Are we going to awaken to our true genius and potential as Infinite Consciousness? Or are we going to remain entrapped in body/mind and the manufactured illusions of the Moon Matrix? It is time to shake off the shackles, stop being Pavlov's dogs and grab reality by the balls and wake up to who we are truly meant to be.
