Joan M. Wolf

Fractured Fairy Tales for Student Actors Jan Peterson Ewen,2013-03 These royalty-free scenes are laugh-out-loud funny and clever, to boot! Based on familiar nursery rhyme characters, Ewen put a comedic spin on their situations. For instance, ESPN newscasters are interviewing Jack out at the track where he does his training for candlestick jumping. The 20 scenes are evenly split between five-minute scenes for 2 to 3 characters and ten-minute scenes for 5 to 20 characters. Most of the characters may be played by either gender, and several scenes can be expanded to accommodate an entire classroom. Unlike most scene books, the table of contents even indicates the cast size and genders along with a one line summary. Easy to use and fun for all ages, you'll love the colorful characters and creative situations in these short, hysterical scenes.

Fractured Fairy Tales A.J. Jacobs,1999-01-05 Long before Politically Correct Bedtime Stories invaded bookstores, Americans were getting their giggles from Fractured Fairy Tales, those delightfully twisted parables brought to us between the cliffhanger adventures of our favorite cartoon heroes, Rocky & Bullwinkle. This collection, illustrated with classic art from the animated series includes the comical retelling of 25 classics such as Pinocchio (who starred in his own variety show The Pinocchio Doody Show), Jack and the Beanstalk (did you know that Jack grew a beanstalk in the outfield so he could catch fly balls for his baseball team?), or King Midas (who became a dentist so he could give his patients gold fillings). This satirical humor loved for so long by so many, is a must-have for fans of the show and anyone who loves classic fairy tales--with a twist.

How to Fracture a Fairy Tale Jane Yolen,2018-11-05 “This collection is Jane Yolen at her best.

This is magic.”—Patricia C. Wrede, author of the Enchanted Forest Chronicles Fantasy icon Jane Yolen (The Devil’s Arithmetic, Briar Rose, Sister Emily’s Lightship) is adored by generations of readers of all ages. Now she triumphantly returns with this inspired gathering of fractured fairy tales and legends. Yolen breaks open the classics to reveal their crystalline secrets: a philosophical bridge that misses its troll, a spinner of straw as a falsely accused moneylender, the villainous wolf adjusting poorly to retirement. Each of these offerings features a new author note and original poem, illuminating tales that are old, new, and brilliantly refined.

Shattered Fairy Tales Sarina Dorie,2020-07-21 Fractured fairy tales and humorous urban fantasy! Escape into lighthearted fantasy with this laugh out loud collection of short stories. These stories take the fairy tale tropes of princesses, dragons, and witches and turns them on their head. These stories include: Princesses Do Not Breathe Fire What's a princess to do when she inconveniently has 'green eczema, ' breathes fire, eats annoying court jesters, and behaves in an 'unprincessly' manner? To solve these woes, this princess goes on a quest to cure her dragon nature. Tooth Fairy Experiments What does science homework look like for a troll child? Instead of dissecting frogs and mice, troll dissect fairies-or they are supposed to anyway. This troll child has other ideas. Greener on the Other Side Prince Charming knows he is meant to be a human prince, not a frog. Only if he can outsmart a

witch and her vicious cat will he be able to use the witch's spell book to turn himself into the hero he knows he is meant to be. The Savior of Dragondom An overlooked dragon is outshined by the supposedly heroic dragon rider who has let his celebrity status go to his head. The dragon would prefer to eat her rider, but she desperately needs him to fulfill a prophecy to save her people. The Problem with Princesses A dragon with a knight fetish sets out on a quest to eat a ball full of princesses to offset the princess surplus in the land, only to change her mind halfway through her adventure. Find out what this dragon does with the princess she meets. Five Tips to Slay a Unicorn Unicorns are plaguing the land. Learn these tips to put a stop to the great horned ones!br> Fifty Scales of Grey A dragon's knight fetish causes her some serious problems, especially when her intended love interests would rather slay her than kiss her. Find out what happens when a princess comes to her rescue. (Though this is a parody of Fifty Shades of Grey, there is no sex or R-rated language in the story-only laugh out loud humor.) Patchwork Selkie A selkie without her sealskin, not content to suffer the same fate as others of her kind, finds a way to solve her problem. These are

sweet and empowering stories about self-acceptance, taking place in the same world as the Chronicles of Forget-Me-Not Forest Series. Similar in humor to Shrek and Disenchanted, these tales are sure to delight! Transport yourself into these fairy tales with twists.

Of Giants and Ice Shelby Bach,2013-05-07 Eleven-year-old Rory, daughter of a famous actress and a famous movie director, finds herself becoming a celebrity in her own right as she helps create a new fairy tale as a participant in the after-school program, Ever After School.
