Ruth Rendell

Harm Done Ruth Rendell,2007-12-18 The search for the body commenced. Then the victim walked into town. Behind the picture-postcard façade of Kingsmarkham lies a community rife with violence, betrayal, and a taste for vengeance. When sixteen-year-old Lizzie Cromwell reappears no one knows where she has been, including Lizzie herself. Inspector Wexford thinks she was with a boyfriend. But the disappearance of a three-year-old girl casts a more ominous light on events. And when the public's outrage turns toward a recently released pederast and another suspect turns up stabbed to death, Wexford must try to unravel the mystery before any more bodies appear, and before a mob of local vigilantes metes out a rough justice to their least favorite suspect. In Harm Done, the violence is near at hand, and evil lies just a few doors down the block.

End in Tears Ruth Rendell,2010-07-30 The award-winning author of Babes in the Woods and The Rottweiler brings us another gripping Inspector Wexford novel. A lump of concrete dropped deliberately from a little stone bridge over a relatively unfrequented road kills the wrong person. The driver behind is spared. But only for a while... One particular member of the local press is gunning for the Chief Inspector, distinctly unimpressed with what he regards as old-fashioned police methods. But Wexford, with his old friend and partner, Mike Burden, along with two new recruits to the Kingsmarkham team, pursue their inquiries with a diligence and humanity that make Ruth Rendell's detective stories enthralling, exciting and very touching.

***** On a stormy February afternoon, little Stella Rivers disappears - never to be seen again. There are no clues, no demands and no traces. And there is nowhere for Wexford and his team to look. All that remains is the cold fear and awful dread that touches everyone in Kingsmarkham. Just months later, another child vanishes - five-year-old John Lawrence. Wexford and Inspector Burden are launched into another investigation and, all too quickly, they discover chilling similarities to the Stella Rivers case. Then the letters begin. The horrifying, evil, threatening letters of a madman. And suddenly Wexford is fighting against time to find the missing boy, before he meets the same fate as poor Stella...

Murder Being Once Done Ruth Rendell,1999-03-30 A young girl is murdered in a cemetery. And Wexford's doctor has prescribed no alcohol, no rich food and, above all, no police work. When a young girl's body is found in a London cemetery and the local police, under the command of Wexford's nephew, are baffled, Wexford decides to brave his doctor's wrath and the condescension of the London police by doing a little investigating of his own. A compelling story of mysterious identity and untimely death, *Murder Being Once Done* is Rendell at her most sublime. With her Inspector Wexford novels, Ruth Rendell, winner of the Mystery Writers of America Grand Master Award, has added layers of depth, realism and unease to the classic English mystery. For the canny, tireless, and unflappable policeman is an unblinking observer of human nature, whose study has taught him that under certain circumstances the most unlikely people are capable of the most appalling crimes.

Talking to Strange Men Ruth Rendell,2010-12-28 A lonely man stumbles into a dangerous game in this twisting novel of psychological suspense by the New York Times–bestselling author of *The Crocodile Bird*. In a desolate alley on the bank of the Thames, a spy slips through the shadows. Mungo is the Director General of English intelligence, and he knows Moscow Centre has been watching him for weeks, but there is no spy in London better at losing a tail. Satisfied he hasn't been followed, he drops off his message and disappears into the night. It's a classic scene of Cold War espionage, save for one detail: Mungo isn't a spy at all. He's a teenager, playing an epic game of make-believe. John Creevey, still reeling from the implosion of his marriage, is dreaming of taking revenge against his wife's lover when he discovers one of Mungo's coded signals. Unaware that the message is simply part of a child's game, he becomes obsessed with uncovering the rest of the spy network—a tragic misunderstanding that threatens to turn this imaginary war into something very real—and very deadly. "Rendell has brilliantly interwoven these compelling strands into one masterful tale of suspense," writes *Library Journal*. Three-time Edgar Award winner Ruth Rendell was a

master of psychological suspense, and *Talking to Strange Men* is one of the most unusual espionage stories in the history of the Cold War.

The Veiled One Ruth Rendell, 2010-12-28 Inspector Wexford searches for answers after an elderly woman is murdered in this "spellbinder" from a New York Times–bestselling author (Publishers Weekly). When Chief Inspector Wexford enters the parking garage, the woman is already dead, slumped between two cars, concealed under a velvet shroud. The inspector doesn't even notice her as he drives away. Only later, when he sees on the news that an old woman was garroted in the shopping mall garage, does he realize how close he was to discovering the body. In a case that starts with a hidden corpse, the truth will be dangerously elusive. Before Wexford can sink his teeth into the elderly woman's murder, he is nearly killed himself—by a politically motivated car bombing targeting his daughter. With the inspector in the hospital, the case falls to his partner, the intrepid Mike Burden, who must solve both mysteries before the shopping mall killer strikes again. The winner of three Edgar Awards, Ruth Rendell was one of the finest mystery authors of the twentieth century. Inspector Wexford was one of her most beloved creations, and *The Veiled One* is another "stunning" entry in the series (Publishers Weekly).

The Monster in the Box Ruth Rendell, 2009-10-13 From the author called the best mystery writer in the English-speaking world (Time) comes her newest novel featuring Inspector Wexford.

Inspector Wexford Ruth Rendell, 1993

Going Wrong Ruth Rendell, 2010-12-28 From a New York Times–bestselling author: A chilling psychological thriller about one man's murderous obsession with his childhood sweetheart. Growing up in the roughest part of London, Guy Curran never imagined he would fall in love with a rich girl. But from the moment he meets Leonora Chisholm, he knows it's their destiny to be together. They have a short, passionate teenage fling—over almost before it begins. Leonora moves on, but Guy never will. His love for her is dangerous, and it will destroy them both. Over the next ten years, Guy becomes a millionaire, selling hard drugs and bad art to the jet set of Western Europe. He and Leonora remain friends, sharing weekly lunches—until the day he learns she's fallen in love with someone else. Seized by murderous jealousy, Guy is about to embark on a mad quest to claim the woman he desires—or die trying. "Rendell is a master of depicting the long, slow slide into madness" and *Going Wrong* shows her brilliant ability to walk the line between elegance and terror (Publishers Weekly).

Master of the Moor Ruth Rendell, 2012-11-21 Stephen Whalby loves to walk the moor. He considers it his, although he and his young wife Lyn are merely tenants in a flat nearby. But the senseless and frightening murder of a young woman invades Stephen's sense of privacy and pollutes his beloved moor with suspicion and dread. And then a second murder captures his imagination in an unpredictable and fascinating way . . .

Road Rage Ruth Rendell, 2011-09-14 Winner of multiple Edgar and Gold Dagger awards including the most prestigious Edgar of them all, the Grand Master, Ruth Rendell returns with a novel that pits Chief Inspector Wexford against a quite personal foe: the environmental terrorists who kidnap and threaten the lives of five hostages—including Wexford's own wife. As *Road Rage* begins, Chief Inspector Wexford is walking through Framhurst Great Wood, just outside his beloved town of Kingsmarkham, for what he tells himself will be the last

time. He can no longer bear to look at the natural beauty that will soon be despoiled by the construction of a new highway. Wexford rather despairs of the project; his more sanguine wife, Dora, is active on a committee to save the threatened land. Others are more desperate to achieve their end, and their means include the taking of hostages, including Dora, and the threat to begin murdering them. How Wexford and his dedicated team of police officers race against time to learn the identity of the kidnappers and discover the whereabouts of the hostages will rivet readers who delight in following the intricate details of an intensive police investigation. But, as in every Ruth Rendell novel, the mortal drama raises political and moral questions that are not resolved with the closing of the case, and that apply far beyond the limits of Kingsmarkham.

Speaker of Mandarin Ruth Rendell, 2012-11-21 "The heiress apparent to Agatha Christie."—Los Angeles Times Chief Inspector Wexford is in China, visiting ancient tombs and palaces with a group of British tourists. Is he hallucinating, or does a bent old woman with bound feet follow him everywhere? Back in England, he is called to a nearby village where a wealthy woman has been found with a bullet in her head. Murdered. He identifies her as one of the China tourists, and soon decides to question the other members of the group. When he discovers the secrets they are hiding—greed, treachery, theft, adultery—he is forced to ask not who is innocent but who is the least guilty. "[Ruth] Rendell in top form, applying subtle psychological tints to the familiar mechanics of the police procedural . . . handsomely sculpted . . . Rendell proves once again her awesome skill at probing the criminal mind and conscience. . . . Handled with great originality."—Philadelphia Inquirer

From Doon with Death Ruth Rendell, 1982 'Love And Death,' Said Chief Inspector Wexford. 'Those Were The Only Two Sensational Things That Ever Happened To Margaret Parsons, Love And Death. The Thing Is They Both Happened In My District.' 'The Police Knew All About Margaret Parsons' Life, And By The Look Of It, It Was Very Dull. Margaret Parsons Had Been A 'Good Woman'. Religious, Old-Fashioned And Respectable, Her Life Had Been As Spotless And Ordinary As Her Home, As Unexciting And Dependable As Her Marriage. But It Was Not Margaret Parsons' Life That Interested Wexford. It Was Her Death. She Had Been A Predictable, Ordinary Woman - But Now She Had Met A Death Of Passion And Violence For Which There Seemed No Motive Or Clue.

Not in the Flesh Ruth Rendell, 2008-06-10 A new Chief Inspector Wexford mystery from the author who Time magazine has called "the best mystery writer in the English-speaking world." When the truffle-hunting dog starts to dig furiously, his master's first reaction is delight at the size of the clump the dog has unearthed: at the going rate, this one truffle might be worth several hundred pounds. Then the dirt falls away to reveal not a precious mushroom but the bones and tendons of what is clearly a human hand. In *Not in the Flesh*, Chief Inspector Wexford tries to piece together events that took place eleven years earlier, a time when someone was secretly interred in a secluded patch of English countryside. Now Wexford and his team will need to interrogate everyone who lives nearby to see if they can turn up a match for the dead man among the eighty-five people in this part of England who have disappeared over the past decade. Then, when a second body is discovered nearby, Wexford experiences a feeling that's become a rarity for the veteran policeman: surprise. As Wexford painstakingly moves to resolve these multiple mysteries, long-buried secrets are brought to daylight, and Ruth Rendell once

again proves why she has been hailed as our greatest living mystery writer.

The Babes in the Wood Ruth Rendell, 2010-05-07 This was an investigation which would call into question many of Wexford's assumptions about the way people behave, including his own family. . . In *The Babes in the Wood* Ruth Rendell brings her keen psychological insight and rigorous moral sense to bear on Wexford's assumptions about the way people behave, including his own family, as he investigates the mysterious disappearance of two teenagers and their babysitter. There hadn't been anything in living memory like the kind of rain that had caused the River Brede to burst its banks and flood the homes in the area. The Subaqua Task Force could find no trace of the missing teenagers and their babysitter...but their mother was still convinced that her children were dead.

Wexford Ruth Rendell, 1994 Three complete Wexford mysteries in one volume- FROM DOON WITH DEATH Margaret Parsons was predictable, ordinary woman, but now she had met a death of passion and violence for which there seemed no motive or clue... 'One of the best' - SUNb>A NEW LEASE OF DEATH There was no doubt in Chief Inspector Wexford's mind... Painter had done it and he'd been hanged for it. But now, 15 years later, someone wants history changed and Wexford proved wrong! 'A cause for scelebration' - SPECTATORi>i>b>THE BEST MAN TO DIEb>as it just a coincidence that Charlie Hatton, a cocky little lorry driver, had been killed on the day following that of Mrs Fanshawe's regaining consciousness? Sins of the Fathers Ruth Rendell, 1970

The Saint Zita Society Ruth Rendell, 2012-08-28 Life in the well-manicured London locale of Hexam Place is not as placid and orderly as it appears. Behind the tranquil gardens and polished entryways, relationships between servants and their employers are set to combust. Henry, the handsome valet to Lord Studley, is sleeping with both the Lord's wife and his university-age daughter. Montserrate, the Still family's lazy au pair, is helping to hide Mrs. Still's illicit affair with a television actor--for a small fee. June, the haughty housekeeper to a princess of dubious origin, is hard at work forming a society for servants to address complaints about their employers. Meanwhile, a disturbed gardener, Dex, believes a voice in his cellphone is giving him godlike instructions--that could endanger the lives of all who reside in Hexam Place. A deeply observed and suspenseful update to the upstairs/downstairs genre, *The St. Zita Society* is Ruth Rendell at her incisive best.
