**Radio Silence** Alice Oseman,2017-03-28 The second novel by the phenomenally talented Alice Oseman, the author of the million-copy bestselling Heartstopper books—now a major Netflix series. What if everything you set yourself up to be was wrong? Frances has always been a study machine with one goal: elite university. Nothing will stand in her way. Not friends, not a guilty secret—not even the person she is on the inside. But when Frances meets Aled, the shy genius behind her favorite podcast, she discovers a new freedom. He unlocks the door to Real Frances and for the first time she experiences true friendship, unafraid to be herself. Then the podcast goes viral and the fragile trust between them is broken. Caught between who she was and who she longs to be, Frances’s dreams come crashing down. Suffocating with guilt, she knows that she has to confront her past... She has to confess why Carys disappeared... Meanwhile at university, Aled is alone, fighting even darker secrets. It’s only by facing up to your fears that you can overcome them. And it’s only by being your true self that you can find happiness. Frances is going to need every bit of courage she has. A coming-of-age read that tackles issues of identity, the pressure to succeed, diversity, and freedom to choose, Radio Silence is a tour de force by the most exciting writer of her generation.

**Radio Silence** Alyssa Cole,2019-07-15 “Rich in atmospheric details and rife with unexpected dangers...[a] refreshingly diverse cast of characters possess strong, sympathetic and magnetic personalities, ensuring that readers will be engaged with each step of their journey.” — RT Book Reviews Cole adds a strong contender to the postapocalyptic romance genre with a smart, confident-African American heroine and a smart, sexy Korean hero in this first book in a trilogy. —Library Journal No one expects the apocalypse. Arden Highmore was living your average postgrad life in Rochester, New York, when someone flipped the “off” switch on the world. No cell phones, no power, no running water—and no one knows why. All she and her roommate, John, know for sure is that they have to get out, stat. His family’s cabin near the Canadian border seemed like the safest choice. It turns out isolation doesn’t necessarily equal safety. When scavengers attack, it’s John’s ridiculously handsome brother, Gabriel, who comes to the rescue. He saves Arden’s life, so he can’t be all bad...but he’s also a controlling jerk who treats her like an idiot. Now their parents are missing and it seems John, Gabriel, their kid sister, Maggie, and Arden are the only people left alive who aren’t bloodthirsty maniacs. No one knows when—or if—the lights will come back on and, in the midst of all that, Arden and Gabriel are finding that there’s a fine line indeed between love and hate. How long can they expect to last in this terrifying new world, be it together or apart? This book is approximately 69,000 words And don’t miss the rest of the Off the Grid series: Signal Boost and Mixed Signals are available now! Originally published in 2015

*Radio Silence* Nathan Nedorostek,Anthony Pappalardo,2008 A singular document of the aesthetic of American Hardcore music and culture, this collection brings together unseen photographs, personal letters, original artwork, rare albums, 45s, T-shirts, fanzines and various ephemera from the hardcore scene circa 1978-1993. It includes more than 500 images and illustrations presented in a manner that abandons the aesthetic cliches normally used to depict the genre by letting the subject matter speak for itself. With contributions from such luminaries of the scene as Jeff Nelson of Minor Threat, Dave Smalley and Pat Dunbar.

*I Was Born for This* Alice Oseman,2022-10-18 From the bestselling creator of HEARTSTOPPER and LOVELESS, a deeply funny and deeply moving exploration of identity, friendship, and fame. For Angel Rahimi life is about one thing: The Ark -- a boy band that's taking the world by storm. Being part of The Ark's fandom has given her everything she loves -- her friend Juliet, her dreams, her

place in the world. Her Muslim family doesn't understand the band's allure -- but Angel feels there are things about her they'll never understand. Jimmy Kaga-Ricci owes everything to The Ark. He's their frontman -- and playing in a band with his mates is all he ever dreamed of doing, even it only amplifies his anxiety. The fans are very accepting that he's trans -- but they also keep shipping with him with his longtime friend and bandmate, Rowan. But Jimmy and Rowan are just friends -- and Rowan has a secret girlfriend the fans can never know about. Dreams don't always turn out the way you think and when Jimmy and Angel are unexpectedly thrust together, they find out how strange and surprising facing up to reality can be. A funny, wise, and heartbreakingly true coming of age novel. *I Was Born for This* is a stunning reflection of modern teenage life, and the power of believing in something -- especially yourself.

*Radio Silence FDNY* John Joyce (Captain.), Bill Bowen, 2004

*Radio Activism* Annette Rimmer, 2021-07-27 This unique book draws on the narratives of women participants in community radio, using intersectionality, feminist, critical psychological and community development frameworks to explore how this highly symbolic, creative dimension of activism can unmute marginalised women and enrich corporate media. Over a period of four years, twelve female radio project volunteers offer their experiences which they analyse, together as part of the RRG (Radio Research Group), alongside a conceptual and contextual framework to produce insights on the gendered nature of silence, voice and empowerment, and the wider potential of radio activism. Employing literature from a variety of fields, from bell hooks to Stuart Hall, the book foregrounds evidence from the majority world to argue the empowerment potential of community radio and the barriers to radio participation. Through this analysis community radio emerges as a site of development, from which diverse identities transpire through laughter, dialogue, raised consciousness and solidarity, but it also exposes the conflicts of empowerment by recognising inherent tensions in womanhood and in communities. Centering on the global, hegemonic challenge of empowering women, and relevant across multiple disciplines and professions, this is fascinating reading for academics, students and professionals in psychology, gender studies, media studies, development and related areas.

**Radio Silence** Philip Schaefer, Jeff Whitney, 2016 Poetry. Through vivid and sometimes startling image and music, RADIO SILENCE turns absence into sound. The poems in this new collaborative collection by Philip Schaefer and Jeff Whitney come up against death and pursue its mysteries: its arrival, its damages, and its meaning for those on the periphery. This is a world where orange trees rise / from the pockets of the dead, / where we burn / hornet nests and keep / watermelons in the well, / where ghosts have a way / of making themselves / found. This is a world that hinges on transitions young boys crawling in the attic become old men opening wrinkled palms; a sky of magpies becomes a sky of crows. The result is a collection of stripped-down, urgent poems that make no clear boundary between the authors' identities. From this liminal space emerges a third voice that is both and neither and something in-between. In the forgetting / dark, we take off our names. We become / something like lightning, cracked bone. Philip Schaefer and Jeff Whitney have closed their eyes and listened: weathers, dance halls, bright-and- darkening towns... the blaze of certain silences, 'flaring ghosts.' RADIO SILENCE is an exquisite dream of transport. Joanna Klink In these collaborative emergency poems, Philip Schaefer and Jeff Whitney remind us that silence doesn't need to be disconcerting, even 'in the chop of a storm / only the future saw coming. But RADIO SILENCE doesn't fill in the gaps in transmission. Instead it attends to what emerges from those gaps when one really listens: SILENCE becomes noise; noise becomes music; music becomes a message an old friend saying the perfect next thing. 'There is the giving and the taking and the taking / back, ' but what's more there is what's left over in the wake of

disappearance, the afterglow of vanishment, the haunted present moment. These poems crackle with the notion that we are never alone, if we can only allow ourselves to pay attention (and participate ) with imagination and faith, in awe of the darkness and light that surrounds us. Matt Hart

Loveless Alice Oseman,2022-03-01 For fans of Love, Simon and I Wish You All the Best, a funny, honest, messy, completely relatable story of a girl who realizes that love can be found in many ways that don't involve sex or romance. From the marvelous author of Heartstopper comes an exceptional YA novel about discovering that it's okay if you don't have sexual or romantic feelings for anyone . . . since there are plenty of other ways to find love and connection. This is the funny, honest, messy, completely relatable story of Georgia, who doesn't understand why she can't crush and kiss and make out like her friends do. She's surrounded by the narrative that dating + sex = love. It's not until she gets to college that she discovers the A range of the LGBTQIA+ spectrum -- coming to understand herself as asexual/aromantic. Disrupting the narrative that she's been told since birth isn't easy -- there are many mistakes along the way to inviting people into a newly found articulation of an always-known part of your identity. But Georgia's determined to get her life right, with the help of (and despite the major drama of) her friends.

**Leave Me Alone, I'm Reading** Maureen Corrigan,2007-12-18 In this delightful memoir, the book critic for NPR's Fresh Air reflects on her life as a professional reader. Maureen Corrigan takes us from her unpretentious girlhood in working-class Queens, to her bemused years in an Ivy League Ph.D. program, from the whirl of falling in love and marrying (a fellow bookworm, of course), to the ordeal of adopting a baby overseas, always with a book at her side. Along the way, she reveals which books and authors have shaped her own life—from classic works of English literature to hard-boiled detective novels, and everything in between. And in her explorations of the heroes and heroines throughout literary history, Corrigan's love for a good story shines.

**The Pregnant King** Devdutt Pattanaik,2014-07-11 'I am not sure that I am a man,' said Yuvanashva. 'I have created life outside me as men do. But I have also created life inside me, as women do. What does that make me? Will a body such as mine fetter or free me?' Among the many hundreds of characters who inhabit the Mahabharata, perhaps the world's greatest epic and certainly one of

the oldest, is Yuvanashva, a childless king, who accidentally drinks a magic potion meant to make his queens pregnant and gives birth to a son. This extraordinary novel is his story. It is also the story of his mother Shilavati, who cannot be king because she is a woman; of young Somvat, who surrenders his genitals to become a wife; of Shikhandi, a daughter brought up as a son, who fathers a child with a borrowed penis; of Arjuna, the great warrior with many wives, who is forced to masquerade as a woman after being castrated by a nymph; of Ileshwara, a god on full-moon days and a goddess on new-moon nights; and of Adi-natha, the teacher of teachers, worshipped as a hermit by some and as an enchantress by others. Building on Hinduism's rich and complex mythology—but driven by a very contemporary sensibility—Devdutt Pattanaik creates a lush and fecund work of fiction in which the lines are continually blurred between men and women, sons and daughters, husbands and wives, fathers and mothers. Confronted with such fluidity the reader is drawn into Yuvanashva's struggle to be fair to all—those here, those there and all those in between.

**The Silence Between Us** Alison Gervais, 2019-08-13 Faced with the challenges of transitioning from a Hard of Hearing School to a Hearing high school, Maya has more than a learning curve. But what if she has more to learn about herself and how far she is willing to push for what she believes in? Perfect for contemporary fiction fans, *The Silence Between Us* is a novel that doesn't shy away from the real-life struggles of high school, heart break, and d/Deaf culture. Schneider Family Book Award, Best Teen Honor Book 2020 Torn from her Hard of Hearing school when her mother's job takes them across the country, Deaf teen Maya must attend a hearing school for the first time since her hearing loss. As if that wasn't hard enough, she also has to adjust to the hearing culture, which she finds frustrating. When her new friends and classmates start pushing into Maya's thoughts about what it means to be Deaf, it clashes with her idea of self-worth and values. Looking past graduation towards a future medical career, Maya knows nothing, not even an unexpected romance, will derail her pursuits or cause her to question her integrity. Wattpad sensation Alison Gervais writes a stunning portrayal of the Deaf and Hard of Hearing culture in this clean YA contemporary romance. Drawing from her own deaf experience and relationship with the HoH community, Gervais provides a personal interview and commentary on cochlear implants. *The Silence Between Us* mixes lighthearted romance with deeper social issues facing minority groups. "The Silence Between Us? is eminently un-put-down-able." (NPR) "Gervais deftly renders both the nuanced, everyday realities of life with disability and Maya's fierce pride in her Deafness, delivering a vibrant story that will resonate with Deaf and hearing audiences alike." -?Booklist "A solid addition to middle/high school fiction that allows for deep discussion about stereotypes concerning disabilities."?School Library Journal "This is a great YA contemporary (clean) romance that follows Maya as she navigates a new school and plans for her future. The addition of representation by a Deaf character was really beautifully done. Highly recommend for people looking for a sweet, engaging, and educational romantic read." (YA and Kids Book Central)
