CHARGE Syndrome, Second Edition Timothy S. Hartshorne, Margaret A. Hefner, Kim D. Blake, 2021-01-12 It was first described in 1979, named in 1981, and in 2004 a gene for CHARGE was identified. In addition to a host of other conditions, most individuals have communication-related problems, including hearing, vision, balance, breathing, swallowing, and speech. Each of the editors is an established expert on CHARGE syndrome and has received the highest award bestowed by the CHARGE Syndrome Foundation, the Stars in CHARGE. They represent three different disciplines: psychology, genetic counseling, and clinical pediatrics. Additional information and studies on CHARGE have advanced to the degree that warrant a second edition of this book. As in the first edition, this book describes the sensory, physical, communicative, and behavioral findings in CHARGE. Authors include experts in the field, including a number from the CHARGE Center at Cincinnati Children's Hospital Medical Center. New to the Second Edition: \* Co-Editor, Kim D. Blake, MD \* A chapter on Educational Issues has been added \* Reorganized for a greater flow of information \* All chapters have been revised and updated \* References have been completely updated \* More images and illustrations \* Includes related videos Disclaimer: Please note that ancillary content (such as documents, audio, and video, etc.) may not be included as published in the original print version of this book.

*Importing EU Norms* Annika Björkdahl, Natalia Chaban, John Leslie, Annick Masselot, 2015-03-20 This interdisciplinary work presents a conceptual framework and brings together constructivist and rationalist accounts of how EU norms are adopted, adapted, resisted or rejected. These chapters provide empirical cases and critical analysis of a rich variety of norm-takers from EU member states, European and non-European states, including the rejection of EU norms in Russia and Africa as well as adaptation of EU practices in Australia and New Zealand. Chapters on China, ASEAN and the Czech Republic demonstrate resistance to EU norm export. This volume probes differences in willingness to adopt or adapt norms between various actors in the recipient state and explores such questions as: How do norm-takers perceive of the EU and its norms? Is there a 'normative fit' between EU norms and the local normative context? Similarly, how do EU norms impact recipients' interests and institutional arrangements? First, the authors map EU norm export strategies and approaches as they affect norm-takers. Second, the chapters recognize that norm adoption, adaptation, resistance or rejection is a product of interaction and a relationship in which interdependence, asymmetry and power play a role. Third, we see that domestic circumstances within norm-takers condition the reception of norms. This book's focus on norm-takers highlights the reflexive nature of norm diffusion and that nature has implications for the EU itself as a norm exporter. Anyone with an interest in the research agenda on norm diffusion, normative power and the EU's normative dialogue

with the world will find this book highly valuable, including scholars, policy makers and students of subjects including political science, European studies, international relations and international and EU law.

**Young Soeharto** David Jenkins ,2021-05-06 When a reluctant President Sukarno gave Lt Gen Soeharto full executive authority in March 1966, Indonesia was a deeply divided nation, fractured along ideological, class, religious and ethnic lines. Soeharto took a country in chaos, the largest in Southeast Asia, and transformed it into one of the "Asian miracle" economies—only to leave it back on the brink of ruin when he was forced from office thirty-two years later. Drawing on his astonishing range of interviews with leading Indonesian generals, former Imperial Japanese Army officers and men who served in the Dutch colonial army, as well as years of patient research in Dutch, Japanese, British, Indonesian and US archives, David Jenkins brings vividly to life the story of how a socially reticent but exceptionally determined young man from rural Java began his rise to power—an ascent which would be capped by thirty years (1968–98) as President of Indonesia, the fourth most populous nation on earth. Soeharto was one of Asia's most brutal, most durable, most avaricious and most successful dictators. In the course of examining those aspects of his character, this book provides an accessible, highly readable introduction to the complex, but dramatic and utterly absorbing, social, political, religious, economic and military factors that have shaped, and which continue to shape, Indonesia.

*New Media, Old Regimes* Lyombe Eko, 2012 *New Media, Old Regimes: Case Studies in Comparative Communication Law and Policy*, by Lyombe S. Eko, is a collection of novel theoretical perspectives and case studies in comparative communication law. Through these cases, Eko describes, explains and illustrates how a number of nation-states, transnational, and international organizations employ culture-specific distillations of universal principles to resolve tensions between freedom of expression and other societal interests in real space and cyberspace. This study provides essential scholarship on comparative communication law and policy.

**Civil Rights in Wartime** Dawinder S Sidhu, Neha Singh Gohil, 2013-02-28 In the days, months, and now years following the events of September 11th, 2001, discrimination against the Sikh community in America has escalated sharply, due in part to a populace that often confuses Sikhs, compelled by their faith to wear turbans, with the Muslim extremists responsible for the devastating terrorist attacks. Although Sikhs have since mobilized to spread awareness and condemn violence against themselves and Muslims, there has been a conspicuous absence of academic literature to aid scholars and commentators in understanding the effect of the backlash on the Sikh community. This volume provides a unique window onto this particular minority group's experience in an

increasingly hostile climate, and offers a sharp analysis of the legal battles fought by Sikhs in post-9/11 America. In doing so, it adds a new chapter to the ongoing national story of the difficulties minority groups have faced in protecting their civil liberties in times of war.

**Malawi** International Monetary Fund. African Dept., 2015-12-18 This 2015 Article IV Consultation highlights that bold economic reforms undertaken in mid-2012 in Malawi transformed the policy environment and greatly improved the outlook of the economy. Over 2012–14, real GDP growth and

inflation averaged 4.3 percent and 24.5 percent, respectively. The economic outlook remains difficult reflecting the negative impact of weather-related shocks, the ongoing suspension of budget support, persistently high inflation and weaker global demand which could hurt Malawi's exports. Real GDP growth is projected to fall by 2.7 percentage points to 3 percent in 2015.

Achieving Airport-compatible Land Uses and Minimizing Hazardous Obstructions in Navigable Airspace Jocelyn Waite, 2012 This report discusses airport compatible land use requirements, the legal issues related to achieving airport compatible land use, and legal issues particular to eliminating hazardous obstructions to airspace. The report concludes by reviewing the major legal issues of concern in achieving airport-compatible land use. While general legal principles relevant to airport land use are well established, they are often applied on a case by case basis, particularly in the context of regulatory takings and inverse condemnation. This ad hoc analysis introduces, if not an element of unpredictability, at least some variation in the law by jurisdiction. The need for greater predictability highlights the significance of including airport zoning as part of comprehensive land use planning. This report should be helpful to airport administrators, attorneys, board members, financial officers, community members in the vicinity of airports, realtors, and city and county zoning officials.
