Jack London

Apocalypse Cowboy Eve Langlais, 2015-03-22 It figured that the last man on earth would be the one who broke her heart. The world died practically overnight, leaving behind sparse pockets of survivors, who must learn to live without electricity, internet, cable, or grocery stores. When it came to survival, it was kill or be killed. And the most important rule of all; don't let the zombies catch you. When Brody rides off into the sunset, with grandiose dreams, he leaves behind not just his small town but also his first love. But the hopes he had of making it big are shattered when a deadly virus hits, and those who survive return as zombies to hunt the immune. Lonely in this new reality, he finds himself drawn back to his hometown and rediscovers the woman he left behind. Hannah never thought the expression, Not if you were the last man on earth would ever come back to haunt her, but when the world's population is decimated by a deadly virus, she regrets her words, especially when Brody comes riding back into her life. A very alive Brody who reminds her she's not just a survivor but also a woman. Eking out an existence in this new world is hard. Forgiving the blunders of the past sometimes harder. Against all odds, Brody and Hannah survived the plague and have prevailed against the undead, but will their stubborn nature still tear them apart?

Norman Granz Tad Hershorn, 2011-10-17 Any book on my life would start with my basic philosophy of fighting racial prejudice. I loved jazz, and jazz was my way of doing that, Norman Granz told Tad Hershorn during the final interviews given for this book. Granz, who died in 2001, was iconoclastic, independent, immensely influential, often thoroughly unpleasant—and one of jazz's true giants. Granz played an essential part in bringing jazz to audiences around the world, defying racial and social prejudice as he did so, and demanding that African-American performers be treated equally everywhere they toured. In this definitive biography, Hershorn recounts Granz's story: creator of the legendary jam session concerts known as Jazz at the Philharmonic; founder of the Verve record label; pioneer of live recordings and worldwide jazz concert tours; manager and

recording producer for numerous stars, including Ella Fitzgerald and Oscar Peterson.

Heart-life in Song Frances Harrison Marr,1883

Mingus Brian Priestley,1984-03-22 It would be no exaggeration to call Charles Mingus the greatest bass player in the history of jazz; indeed, some might even regard it as understatement, for the hurricane power of his work as a composer, teacher, band leader, and iconoclast reached far beyond jazz while remaining true to its heritage in the music of Duke Ellington, Charlie Parker, and Thelonious Monk. In this new biography Brian Priestley has written a masterly study of Mingus's dynamic career from the early years in Swing, to the escapades of the Bebop era, through his musical maturity in the '50s when he directed a band that redefined collective improvisation in jazz. Woven in with exacting assessments of Mingus's artistic legacy is the story of his volatile, unpredictable, sometimes dangerous personality. The book views Mingus as a black artist increasingly politicized by his situation, but also unreliable as a witness to his own persecution. Capturing him in all his furious contradictions-passionate, cool, revolutionary but with a keen sense of tradition-Brian Priestley has produced what can be called, again without exaggeration, the best biography of a jazz musician we have ever seen.

Moon-face and Other Stories Jack London,1906 JACK LONDON (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and illegal ways -robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided the material for his works, and made him a socialist. The son of the Wolf (1900), the first of his collections of tales, is based upon life in the Far North, as is the book that brought him recognition, The Call of the Wild (1903), which tells the story of the dog Buck, who, after his master's death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including The Sea-Wolf (1904), White Fang (1906), South Sea Tales (1911), and Jerry of the South Seas (1917). One of London's most interesting novels is the semi-autobiographical Martin Eden (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.

The Activity Year Book Anni Bowden,Nancy Lewthwaite,2009-03-15 Engagement in meaningful activity is an important aspect of human existence, regardless of one's cognitive abilities. Even in the later stages of dementia, people can still be engaged in activities at a level that allows them to be successful. In fact in these later stages, where cognitive abilities may be waning, the need for activity becomes greater, as cognitive

stimulation helps preserve what skills remain. For care staff looking after older people, many of whom may have some degree of dementia, coming up with ideas for activities of a suitable level to keep their residents engaged and stimulated can be challenging. The Activity Year Book solves this problem, offering week by week themed activities. From Valentine's Day quizzes to Bonfire Night word searches, it has activities relating to every important date in the calendar, and also encourages reminiscence and discussion around these events. This book will be invaluable to care staff looking for a simple way of improving the lives of their residents, week by week, all year round.

The Blonde Geisha Jina Bacarr, 2014-08-01 The early summer of 1892 brought a heavy rainy season that year in Japan. Plum Rain, the Japanese called it, because it comes when the fruit bulges with ripeness and promise. Like a young girl reaching womanhood. A girl like me. In the ancient Japanese tradition of beauty and grace, sex and erotic fantasies are hidden secrets that only a select few may learn, and which are forbidden to foreigners. But when a threat to her father's life puts her own in jeopardy, young Kathlene Mallory is sent to live in safety at the Tea House of the Look-Back Tree, where she is allowed to glimpse inside the sensual world of the geisha. During the years of her training in the art of pleasuring men, Kathlene's desires are awakened by the promise of unending physical delights, and she eagerly prepares for the final ritual that will fulfill her dream of becoming a geisha — the selling of her virginity. The man willing to pay for such an honor, Baron Tonda, is not the man for whom Kathlene carries a secret longing, but he is the man who will bring ruin to the teahouse, and danger to Kathlene, if he is disappointed....
