Using step-by-step, project-based lessons, each chapter walks readers through the creation of a specific project, with successive chapters building on the reader's growing knowledge of the program. With Fireworks CS4, users can collaborate with other Adobe Creative Suite applications to design and mockup basic Web pages or interfaces for rich Internet applications. Demo a design live for a client, or export the design as an interactive PDF and email it to them. Fireworks sports a new user interface, shared in common with other applications in Creative Suite 4. Export complete Web page designs as web standards-compliant CSS-based layouts, or as PDF . All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: · If you are able to search the book, search for Where are the lesson files? · Go to the

very last page of the book and scroll backwards. · You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. · Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

*The Poetry of Religious Sorrow in Early Modern England* Gary

Kuchar, 2011-03-03 In early modern England, religious sorrow was seen as a form of spiritual dialogue between the soul and God, expressing how divine grace operates at the level of human emotion. Through close readings of both Protestant and Catholic poetry, Kuchar explains how the discourses of 'devout melancholy' helped generate some of the most engaging religious verse of the period. From Robert Southwell to John Milton, from Aemilia Lanyer to John Donne, the language of 'holy mourning' informed how poets represented the most intimate and enigmatic aspects of faith as lived experience. In turn, 'holy mourning' served as a way of registering some of the most pressing theological issues of the day. By tracing poetic representations of religious sorrow from Crashaw's devotional verse to Shakespeare's weeping kings, Kuchar expands our understanding of the interconnections between poetry, theology and emotion in post-Reformation England.
