Lyle McDonald

What a Treasure! Jane Hillenbrand, 2017-01-30 Dig deep with Mole to uncover the best treasures of all in this sweet story. Hunting for buried treasure, Mole unearths a twig. It's not much use to him, but a bird flying by wants it for a nest. When he discovers a shell, Mole gives it to Snail for a cozy home. Happy to share, Mole keeps digging, and uncovers—another hole, with another little mole in it. A new friend—what a treasure indeed. Brightly colored illustrations enhance this simple story about friendship, sharing, and perseverance, created by husband and wife team Jane and Will Hillenbrand. Perfect for sharing with your own treasured friends, this is an ideal read-aloud for emerging readers.

Advanced Physics For You Keith Johnson, Simmone Hewett, Sue Holt, John Miller, 2015-06-25 From the same author as the popular first edition, the second edition of this trusted, accessible textbook is now accessible online, anytime, anywhere on Kerboodle. It breaks down content into manageable chunks to help students with the transition from GCSE to A Level study, and has been fully revised and updated for the new A Level specifications for first teaching September 2015. This online

textbook provides plenty of examples and practice questions for consolidation of learning, with 'Biology at Work', 'Key Skills in Biology' and 'Study Skills' sections giving many applications of biology throughout. Suitable for AQA, OCR, WJEC and Edexcel.
