Get to the End Michael Hickey, 2016-03-07 A Catholic layman who views himself as uniquely “in the world,” but not “of the world” provides a broader perspective on the “end times.” This book is the first of its kind, a Catholic perspective that is not heavily weighed down in doctrine and dogma.

Giulio Aleni, Kouduo richao, and Christian-Confucian Dialogism in Late Ming Fujian Song Gang, 2018-10-03 Christian dialogic writings flourished in the Catholic missions in late Ming China. This study focuses on the mission work of the Italian Jesuit Giulio Aleni (Ai Rulüe 艾儒略, 1582–1649) in Fujian and the unique text Kouduo richao 口頭約言 (Diary of Oral Admonitions, 1630–1640) that records the religious and intellectual conversations among the Jesuits and local converts. By examining the mechanisms of dialogue in Kouduo richao and other Christian works distinguished by a certain dialogue form, the author of the present work aims to reveal the formation of a hybrid Christian–Confucian identity in late Ming Chinese religious experience. By offering the new approach of dialogic hybridization, the book not only treats dialogue as an important yet underestimated genre in late Ming Christian literature, but it also uncovers a self–other identity complex in the dialogic exchanges of the Jesuits and Chinese scholars. Giulio Aleni, Kouduo richao, and Christian–Confucian Dialogism in Late Ming Fujian is a multi-faceted investigation of the religious, philosophical, ethical, scientific, and artistic topics discussed among the Jesuits and late Ming scholars. This comprehensive research echoes what the distinguished Sinologist Erik Zürcher (1928–2008) said about the richness and diversity of Chinese Christian texts produced in the 17th and 18th centuries. Following Zürcher’s careful study and annotated full translation of Kouduo richao (Monumenta Serica Monograph Series, LVI/1-2), the present work features a set of new findings beyond the endeavours of Zürcher and other scholars. With the key concept of Christian–Confucian dialogism, it tells the intriguing story of Aleni’s mission work and the thriving Christian communities in late Ming Fujian.

Independent Advocacy and Spiritual Care Geoff Morgan, 2017-01-19 This book explores the profession of independent advocacy through a history of the practice, and provides an empirical study of its emergence in London. While advocacy has long been associated with professions such as social work and mental health nursing, this book delivers a unique perspective of advocacy through the lens of faith and culture. Using real life examples and insights from service users, advocates and spiritual care practitioners in the advocacy and chaplaincy sectors, the fascinating results offer proposals for enhanced theory, training and practice in independent advocacy. It will be of great interest for students and professionals engaged in advocacy or spiritual care.

Life at the Center Erica Caple James, 2024-06-18 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. In *Life at the Center*, Erica Caple James traces how faith-based and secular institutions in Boston have helped Haitian refugees and immigrants attain economic independence, health, security, and citizenship in the United States. Using the concept of “corporate Catholicism,” James documents several paradoxes of assistance arising among the Catholic Church, Catholic Charities, and the Haitian Multi-Service Center: how social assistance produces and reproduces structural inequalities between providers and recipients; how these inequities may deepen aid recipients’ dependence and lead to resistance to organized benevolence; how institutional financial deficits harmed clients and providers; and how the same modes of charity or philanthropy that previously caused harm can be redeployed to repair damage and rebuild “charitable brands.” The culmination of more than a decade of advocacy and research on behalf of the Haitians in Boston, this groundbreaking work exposes how Catholic corporations have strengthened—but also eroded—Haitians’ civic power.

Discourses of Weakness and Resource Regimes Iwo Amelung, Hartmut Leppin, Christian A. Müller, 2018-08-16 In welchem Zusammenhang stehen Schwächediskurse und Ressourcenregime? Bodies of Information Chris Mounsey, Stan Booth, 2019-11-04 *Bodies of Information* initiates the Routledge Advances in the History of Bioethics series by encompassing interdisciplinary Bioethical discussions on a wide range of descriptions of bodies in relation to their contexts from varying perspectives: including literary analysis, sociology, criminology, anthropology, osteology and cultural studies, to read a variety of types of artefacts, from the Romano-British period to Hip Hop. This and subsequent volumes return to Potter’s founding vision from historical perspectives, and asks, how did we get here from then?

Where Justice and Mercy Meet Vicki Schieber, Trudy D. Conway, David Matzko McCarthy, 2013-02-01 *Where Justice and Mercy Meet: Catholic Opposition to the Death Penalty* comprehensively explores the Catholic stance against capital punishment in new and important ways. The broad perspective of this book has been shaped in conversation with the Catholic Mobilizing Network to End the Use of the Death Penalty, as well as through the witness of family members of murder victims and the spiritual advisors of condemned inmates. The book offers the reader new insight into the debates about capital punishment; provides revealing, and sometimes surprising, information about methods of execution; and explores national and international trends and movements related to the death penalty. It also addresses how the death penalty has been intertwined with racism, the high percentage of the mentally disabled on death row, and how the death penalty disproportionately affects the poor. The foundation for the church's position on the death penalty is illuminated by discussion of the life and death of Jesus, Scripture, the Mass, the Catechism of the Catholic Church, and the teachings of Pope John Paul II. Written for concerned Catholics and other interested readers, the book contains contemporary stories and examples, as well as discussion questions to engage groups in exploring complex issues.
