Walking the Way John Dear,2021-07-17 “Our world of war, poverty, corporate greed, racism, sexism, nuclear weapons, and catastrophic climate change demonstrates the total failure of violence,” says John Dear. The internationally known peace activist and Nobel Prize nominee has always offered a single answer: Jesus. Now he invites us to follow the nonviolent Jesus through the holy season of Lent, beginning with Jesus’ journey to Jerusalem and culminating in his resurrection and the new life of peace he brings to all. Deeply personal and uncompromisingly committed to peace, these prayerful reflections on Jesus’ life and death challenge the notion that support of violence at any level is compatible with a life in Christ. Drawing on the insights of Mahatma Gandhi, Martin Luther King, Jr., and others, Dear shows us how we can practice gospel nonviolence, be apostles of peace, and change the world. Perfect for personal reflection or small group discussion, these meditations invite us to “participate in our own inner disarmament and cultivate our true nonviolent nature” as we follow the Good Shepherd, the Lamb of God. A timely, important, and inspiring book for our times.

Rape and Sexual Assault White House Council on Women and Girls,2014-10-31 This book analyzes the most recent, reliable data about rape and sexual assault in our country. It identifies those most at risk of being victims of these crimes, examines the cost of this violence (both to survivors and our communities), and describes the response, too often inadequate, of the criminal justice system. The report catalogues steps this Administration has taken to combat rape and sexual assault, and identifies areas for further action. An overview of the problem: Women and girls are the vast majority of victims: nearly 1 in 5 women - or nearly 22 million - have been raped in their lifetimes. Men and boys, however, are also at risk: 1 in 71 men - or almost 1.6 million - have been raped during their lives. Women of all races are targeted, but some are more vulnerable than others: 33.5% of multiracial women have been raped, as have 27% of American Indian and Alaska Native women, compared to 15% of Hispanic, 22% of Black, and 19% of White women. Most victims know their assailants. The vast majority (nearly 98%) of perpetrators are male. Young people are especially at risk: nearly half of female survivors were raped before they were 18, and over one-quarter of male survivors were raped before they were 10. College students are particularly vulnerable: 1 in 5 women has been sexually assaulted while in college. Repeat female victimization is common: over a third of women who were raped as minors were also raped as adults. Other populations are also at higher risk of being raped or sexually assaulted, including people with disabilities, the LGBT community, prison inmates (of both genders), and the homeless. Undocumented immigrants face unique challenges, because their abusers often threaten to have them deported if they try to get help.

Twenty Small Sailboats to Take You Anywhere John Vigor,1999-08 John Vigor turns the spotlight on twenty seaworthy sailboats that are at home on the ocean in all weather. These are old fiberglass boats, mostly of traditional design and strong construction. All are small, from 20 feet to 32 feet overall, but all have crossed oceans, and all are cheap. Choosing the right boat to take you across an ocean or around the world can be confusing and exasperating, particularly with a tight budget. Vigor sets out to remedy that in this book. He compares the designs and handling characteristics of 20 different boats whose secondhand market prices start at about \$3,000. Interviews with experienced owners (featuring valuable tips about handling each boat in heavy weather) are interspersed with line drawings of hulls, sail plans, and accommodations. Vigor has unearthed the known weaknesses of each boat and explains how to deal with them. He rates their comparative seaworthiness, their speed, and the number of people they can carry in comfort. If you have ever dreamed the dream this book can help you turn it into reality.
