Met Her Match Jude Deveraux,2019-09-17 In small towns, no one lets the facts get in the way of juicy gossip... Terri Rayburn is a girl with a reputation. She doesn't deserve it, but having grown up on the outskirts of Summer Hill, Virginia, she knows how small towns work. The only way to deal with vicious gossip is to ignore it. So she keeps to herself as she runs the summer resort on Lake Kissel. When she returns home from a short trip to find a handsome stranger living in her house, she smells a rat. Someone is trying to fix her up, and she has to admit that Nate Taggart is just her type. However, Nate is engaged to the daughter of the mayor and strictly off-limits. Nate and Terri form an unlikely friendship while he throws himself into life at the lake. As Nate starts to hear rumors about Terri he's confused. Knowing how smart, beautiful and strong she is, he's determined to discover the source of the gossip. Terri doesn't want to revisit the past, but Nate won't stop until he discovers the truth—even if the truth might be more than either of them can handle. Set in the beloved fictional town of Summer Hill, Virginia, Met Her Match examines the tensions between the wealthy townspeople, the summer vacationers and the working-class people who keep the town and resort running. Told with humor and heart, Met Her Match is the perfect summer escape.

The Viagra Diaries Barbara Rose Brooker,2013-04-30 A funny, fearless, and inspiring novel about dating after the age of sixty. THE NOVEL THAT PROVES THERE'S PLENTY OF LIFE—AND HOT SEX—AFTER SIXTY! Just because Anny Applebaum qualifies for a senior discount doesn't mean she's ready for retirement. But if she wants to keep her job at the San Francisco Times, she'll have to find a way to spice up her lifestyle column. Even if it means posting her profile as an eligible single on JDate .com. Sure, Anny's a little out of practice. She hasn't been with a man since she found Viagra in her ex-husband's suit pocket, and he wasn't taking it for her. But she's got her friends to help her fumble her way through the strange and intriguing world of online dating. After hearing cautionary tales from the trenches—about “boomer oldies” who drag around pictures of their dead wives and fixed-income misers who wine and dine their dates at chain restaurants—Anny is relieved to meet Marv Rothstein, a charming . . . 75-year-old diamond dealer. Unfortunately, he's also a Digital Age Don Juan who prowls singles sites for younger women. Not be outdated by this “Serial JDater,” Anny realizes Marv is the perfect subject for her flagging column and chronicles his sexcapades for the reading public. But when the new column becomes an overnight hit, Anny can't help but feel conflicted—because now she's having sex with Mr. X . . . and it's nothing less than extraordinary.
