The American Legal Profession Christopher P. Banks,2023-11-10 This book is a tight and fresh analysis of the American legal profession and its significance to society and its citizens. The book's primary objective is to expose, and correct, the principal misconceptions— myths— surrounding prelaw study, law school admission, law school, and the American legal profession itself. These issues are vitally important to prelaw advisors and instructors in light of the difficult problems caused by the Great Recessions of 2008 and 2020– 2021 and the disruptions caused by the COVID-19 pandemic. Aimed equally at prelaw advisors and potential law students, this book can be used as a supplement in the interdisciplinary undergraduate law-related instructional market, including courses that cater to majors/minors in political science and criminal justice in particular. It can also be used in career counselling, internships, and the extensive paralegal program market. New to the Second Edition • Expanded coverage to include paralegal and legal assistant training. • New material on women and minority law students who are transforming law schools and the profession. • Explores challenges to the legal profession posed by economic recession, COVID-19, high tuition rates, exploding student loan debt, internet technological advances, and global competitive pressures, including legal outsourcing and DIY legal services. • Updated data and tables along with all underlying research.

Come Here Often? Sean Manning,2014-10-14 Fifty-three of today's most esteemed writers answer the question, What makes this bar better than all other bars? A reminder that no matter where you are in the world there is always a place nearby that feels like home. —The Paris Review A neighborhood bar can become as comfortable as a second home or a memory best avoided—a wild evening half remembered and better forgotten. But what makes a particular bar special, better than the one just down the street? The answers vary considerably as writers share personal stories of drinking establishments both local and exotic. Come Here Often is an intoxicating world tour from Antarctica to New York City, Kiribati to Minnesota, to the places that have inspired—and distracted—some of our favorite contemporary writers over many years and many more drinks. Funny, smart, and poignant, this anthology is a rare opportunity to do some serious armchair drinking with Andrew W.K., Rosie Schaap, Jack Hitt, Jim Shepard, Alissa Nutting, Duff McKagan, Laura Lippman, Craig Finn, Elissa Schappell, and many more.

America Walks into a Bar Christine Sismondo, 2011-10-01 When George Washington bade farewell to his officers, he did so in New York's Fraunces Tavern. When Andrew Jackson planned his defense of New Orleans against the British in 1815, he met Jean Lafitte in a grog shop. And when John Wilkes Booth plotted with his accomplices to carry out an assassination, they gathered in Surratt Tavern. In America Walks into a Bar, Christine Sismondo recounts the rich and fascinating history of an institution often reviled, yet always central to American life. She traces the tavern from England to New England, showing how even the Puritans valued a good Beere. With fast-paced narration and lively characters, she carries the story through the twentieth century and beyond, from repeated struggles over licensing and Sunday liquor sales, from the Whiskey Rebellion to the temperance movement, from attempts to ban treating to Prohibition and repeal. As the cockpit of organized crime, politics, and everyday social life, the bar has remained vital--and controversial--down to the present. In 2006, when the Hurricane Katrina Emergency Tax Relief Act was passed, a rider excluded bars

from applying for aid or tax breaks on the grounds that they contributed nothing to the community. Sismondo proves otherwise: the bar has contributed everything to the American story. Now in paperback, Sismondo's heady cocktail of agile prose and telling anecdotes offers a resounding toast to taprooms, taverns, saloons, speakeasies, and the local hangout where everybody knows your name.
