jQuery 2 Recipes Arun Pande,2014-09-26 jQuery is often referred to as the 'write less, do more' JavaScript library. Early on, you'll learn to work confidently with dynamic data and to handle the jQuery events that form the foundation of your application. We'll then build on this foundation to demonstrate how fully working user-interface animations and AJAX data-validation can be constructed within jQuery. We'll show how add-on libraries like jQwidgets can be deployed to create professional quality apps for both the desktop and web with minimal coding. Social Welfare in East Asia and the Pacific Sharlene B.C.L. Furuto,2013-02-19 In this singular collection, indigenous experts describe the social welfare systems of fifteen East Asian and Pacific Island nations and locales. Vastly understudied, these lands offer key insight into the successes and failures of Western and native approaches to social work, suggesting new directions for

practice and research in both local and global contexts. Combining international experiences and professional knowledge, contributors illuminate the role of history and culture in shaping the social welfare systems of Cambodia, China, Hong Kong (SAR, China), Indonesia, Malaysia, the Micronesian region (including the Federated States of Micronesia, Guam [Unincorporated Territory, U.S.A.], Marshall Islands, Northern Mariana Islands [Commonwealth, U.S.A.], and Palau), Samoa and American Samoa (Unincorporated Territory, U.S.A.), South Korea, Taiwan, and Thailand. The contributors link the values and issues that concern populaces most to the development of social work practice, policy, and research. Sharlene B. C. L. Furuto then conducts a comparative analysis of the essays including their data and social service programs, highlighting the similarities and differences between the evolution of social welfare in these nations and locales. She contrasts their indigenous approaches, the responses of governments and NGOs to social issues, the availability of social work education, as well as API models, paradigms, and templates, and the overall status of the social work profession. Furuto also adds a chapter comparing the distinct social welfare systems of Samoa and American Samoa. The only volume to focus exclusively on social welfare in East Asia and the Pacific, this anthology holds immense value for practitioners and researchers eager for global perspectives.
