People Games Associate Professor Department of Applied Communication Studies Southern Illinois University Edwardsville Illinois Min Liu,Min Liu,2016-03-27 Man is free the moment he wishes to

be. -Voltaire In dealing and communicating with other people, we often fall prey to their power plays and mind games. PEOPLE GAMES is a non-technical, easy to read guide (yes, much easier than 'Games People Play') to help you recognize when you are being manipulated by others in your social, family, business, or work interactions. We can be free from other people's power plays and mind games if we wish to be, and if we train ourselves to RECOGNIZE them. A power play is a maneuver, usually verbal, that is used by a person to (i) manipulate another person to do something or (ii) avoid giving the other person what they want. This book will teach you how to RECOGNIZE such power plays being used against you, especially the most commonly used ones by other people, and also how to RESPOND to and DEFLECT such power plays. PEOPLE GAMES will teach you how to extricate yourself from secret ploys, unclear motives, and shady maneuvers used by other people, and structure your interactions so that they are no longer clouded by such undesirable things. In doing so, you will be able to protect your personal boundaries, move towards more open and honest communication with other people, and be able to protect your own best interests. Some of the power plays and mind games covered by PEOPLE GAMES are: 1. Dominance/Submission 2. Emotional Blackmail 3. You Owe Me 4. Playing the Victim ...and more!! ***LIMITED TIME ONLY: SPECIAL BONUS CONTENT (THE NEXT 10 MOST COMMON POWER PLAYS AND MIND GAMES) is also included!
