Anna Howard Shaw Trisha Franzen, 2014-03-15 With this first scholarly biography of Anna Howard Shaw (1847-1919), Trisha Franzen sheds new light on an important woman suffrage leader who has too often been overlooked and misunderstood. An immigrant from a poor family, Shaw grew up in an economic reality that encouraged the adoption of non-traditional gender roles. Challenging traditional gender boundaries throughout her life, she put herself through college, worked as an ordained minister and a doctor, and built a tightly-knit family with her secretary and longtime companion Lucy E. Anthony. Drawing on unprecedented research, Franzen shows how these circumstances and choices both impacted Shaw's role in the woman suffrage movement and set her apart from her native-born, middle- and upper-class colleagues. Franzen also rehabilitates Shaw's years as president of the National American Woman Suffrage Association, arguing that Shaw's much-belittled tenure actually marked a renaissance of both NAWSA and the suffrage movement as a whole. *Anna Howard Shaw: The Work of Woman Suffrage* presents a clear and compelling portrait of a woman whose significance has too long been misinterpreted and misunderstood.

Analog Recording David Simons, 2006 'Analog Recording' takes readers through the process of setting up a radio and working with the tape recorders, mixers, outboard gear, monitors and microphones in the 50s, 60s and 70s. It also teaches how to recognise bargains and how to maintain them.

Haunted Santa Cruz, California Maryanne Porter, 2016-09-26 From inspiring Alfred Hitchcock's *Psycho* to being the stalking ground of serial killers, Surf City, USA, has a spooky history with a West Coast twist. Though generally a peaceful coastal city, the dark stains from Santa Cruz's past still linger. A former Spanish Mission, Holy Cross Catholic Church harbors a dark history of a brutal revolt of native Ohlone people that killed the cruel Fr. Andres Quintana. Frequented by mobsters and celebrities in its heyday, the famous Brookdale Lodge's most talked-about guest is the ghost of a little girl who died nearby in 1892 after nearly drowning. Terrorized by three different serial killers during the 1970s, the city earned the nickname of "the Murder Capital of the World." Local resident Alfred Hitchcock derived inspiration for his iconic film *Psycho* from the haunted mid-nineteenth-century Hotel McCray. Tracing the city's eeriest incidents back to their

roots, historical researcher and paranormal investigator Maryanne Porter details these and many more stories of local legend and lore. Includes photos! "[Porter] vividly retells the darker aspects of Santa Cruz history, and shares recorded experiences, including some of her own, at popular local haunted sites like the Brookdale Lodge and Sunshine Villa." –GoodTimes

Born to Play Thomas P. Hustad, 2012 Jazz trombonist Jack Teagarden once referred to Ruby Braff as the Ivy League's Louis Armstrong. That legacy of great trumpet performance and recording is brought to readers in Thomas Hustad's *Born to Play: The Ruby Braff Discography and Directory of Performances*. Braff's uncompromising standards, musical taste, and creative imagination informed his consummate artistry in creating music beautifully played. He achieved swiftly what few musicians accomplish in a lifetime by developing a unique and immediately recognizable style. For a reminder of that we need but play any of the more than 150 released recordings on which he appears. These records span a total of 54 years, from 1949 to 2002, a feat almost unmatched in jazz recording. This was five years longer than even Louis Armstrong. Although prepared in discographical style, capturing information about both commercial recordings and previously undocumented performances, *Born to Play* serves as a biography of the artist, detailing the path he paved as a performer and featuring personal recollections of his musical career with commentary from other figures. Images over the course of his half century of playing fill out this comprehensive survey of Braff's performing and recording career. This bio-discography of the man who jazz drumming legend Buddy Rich declared one of my favorite trumpeters and singing giant Tony Bennett described as my great friend who now holds the reigning position of the best cornet player in the world is sure to be of interest to jazz fans and scholars alike.

From the Frozen Chosin to Churchill Robert Brooks, 2017-01-24 This is the story of one such NCO. He is equally versed in training and planning in leading and fighting. Raised from the poverty of the Great Depression, he enters into the service at sixteen. Like what a large number of young men did in WWII, he lies about his age in order to have the opportunity to do more than just survive. It has been argued that there was no such thing as a teenager until the 70s. When you left the house, you were considered an adult. You made decisions as an adult, you were treated as an adult, and you were respected as an adult. This soldier becomes that adult when his first experience in war comes at age seventeen in North Korea of 1950. From Incheon to Suwon, to the Chinese border of the Yalu and the Chosin Reservoir, he travels and fights for his country six thousand miles away from home. He is not old enough to drink or vote, but old enough to die. He grows up in the military under the tutelage of his commanders and leaders. He couldn't read a

compass before he was put in charge of a platoon of fighting men. All of whom are older than him, some by a decade or more. In a few short months, he goes from PFC to master sergeant.
