Jesus' Words on Salvation Douglas J. Del Tondo,2008-02 A Christian attorney argues that Bonhoeffer was correct when he said we have developed a Christianity without Christ and exchanged Jesus' gospel of costly grace for one of cheap grace. Del Tondo reviews all the major salvation statements and parables by Jesus. He then compares them to the prevalent doctrines of 'faith alone' which Bonhoeffer called 'cheap grace.' Del Tondo demonstrates that Jesus' doctrines on salvation insisted upon repentance from sin and obedience to His principles, thereby falsifying faith alone doctrine.

Marketing has been practiced for centuries around one central tenet: creating an effective message to potential customers so as to generate sales and profits. This method, while proven, is flawed by incompleteness: the message carries no value; only what is sold does. In recent decades, marketers added value to advertising and created so-called free products. The Mind Share Market uncovers this hidden customer segment that can make or break a business. Through the story of Maria Ezrati, CEO of Etymologic Corporation and over 15 real world examples, executives and managers in all industries will find a philosophical and practical blueprint to understand the dynamics of a zero price.
