*Victorian Sensations* Kimberly Harrison,Richard Fantina,2006 Wildly popular with Victorian readers, sensation fiction was condemned by most critics for scandalous content and formal features that deviated from respectable Victorian realism. Victorian Sensations is the first collection to examine sensation fiction as a whole, showing it to push genre boundaries and resist easy classification. Comprehensive in scope, this collection includes twenty original essays employing various critical approaches to cover a range of topics that will interest many readers. Essays are organized thematically into three sections: issues of genre; sensational representations of gender and sexuality; and the texts' complex readings of diverse social and cultural phenomena such as class, race, and empire. The introduction reviews the critical reception of sensation fiction to situate these new essays within a larger scholarly context.--BOOK JACKET.

*The Terrorist's Son* Zak Ebrahim,2014-09-09 An extraordinary story, never before told: The intimate, behind-the-scenes life of an American boy raised by his terrorist father—the man who planned the 1993 World Trade Center bombing. What is it like to grow up with a terrorist in your home? Zak Ebrahim was only seven years old when, on November 5th, 1990, his father El-Sayyid Nosair shot and killed the leader of the Jewish Defense League. While in prison, Nosair helped plan the bombing of the World Trade Center in 1993. In one of his infamous video messages, Osama bin Laden urged the world to “Remember El-Sayyid Nosair.” For Zak Ebrahim, a childhood amongst terrorism was all he knew. After his father’s incarceration, his family moved often, and as the perpetual new kid in class, he faced constant teasing and exclusion. Yet, though his radicalized father and uncles modeled fanatical beliefs, to Ebrahim something never felt right. To the shy, awkward boy, something about the hateful feelings just felt unnatural. In this book, Ebrahim dispels the myth that terrorism is a foregone conclusion for people trained to hate. Based on his own remarkable journey, he shows that hate is always a choice—but so is tolerance. Though Ebrahim was subjected to a violent, intolerant ideology throughout his childhood, he did not become radicalized. Ebrahim argues that people conditioned to be terrorists are actually well positioned to combat terrorism, because of their ability to bring seemingly incompatible ideologies together in conversation and advocate in the fight for peace. Ebrahim argues that everyone, regardless of their upbringing or circumstances, can learn to tap into their inherent empathy and embrace tolerance over hatred. His original, urgent message is fresh, groundbreaking, and essential to the current discussion about terrorism.

**On the Noodle Road** Jen Lin-Liu,2013-07-25 A food writer travels the Silk Road, immersing herself in a moveable feast of foods and cultures and discovering some surprising truths about commitment, independence, and love. As a newlywed traveling in Italy, Jen Lin-Liu was struck by culinary echoes of the delicacies she ate and cooked back in China, where she’d lived for more than a decade. Who really invented the noodle? she wondered, like many before her. But also: How had food and culture moved along the Silk Road, the ancient trade route linking Asia to Europe—and what could still be felt of those long-ago migrations? With her new husband’s blessing, she set out to discover the connections, both historical and personal, eating a path through western China and on into Central Asia, Iran, Turkey, and across the Mediterranean. The journey takes Lin-Liu into the private kitchens where the headscarves come off and women not only knead and simmer but also confess and confide. The thin rounds of dough stuffed with meat that are

dumplings in Beijing evolve into manti in Turkey—their tiny size the measure of a bride’s worth—and end as tortellini in Italy. And as she stirs and samples, listening to the women talk about their lives and longings, Lin-Liu gains a new appreciation of her own marriage, learning to savor the sweetness of love freely chosen.

*The Raw Till 4 Diet* Freelee Banana Girl,2019-04-22 I have been writing this book my entire life. From the shameful moments I hung my head in the toilet to the times I wouldn't eat for 8 days. It became normal for me to spend evenings alone bingeing on a loaf of bread and honey or a whole BBQ chicken. You will learn about my past of eating disorders, drug taking, and depression. By following the Raw till 4 Lifestyle I've finally found peace, balance, and purpose. I've overcome Irritable bowel syndrome, acne, hypothyroidism, depression and lost over 40lbs of excessive blubber. I used to jump from diet to diet and waste thousands of dollars following the terrible advice of so-called health care professionals. I survived the starvation Bikini plans, the Paleo programme, the Keto Diet, metabolic typing, water fasting, juice feasting... you name it, I've tried it. These programmes only left me fatter and more depressed. Then I stumbled on the power of a raw food diet and fruit. Raw Till 4 combines a raw and cooked food approach to a vegan lifestyle. Over the years I woke to the realization that animals are not food and eating them is not only cruel but unnecessary and extremely unhealthy. As you will soon find out a plant-based diet is the healthiest diet for humans. This book gives you everything you need to succeed on this high carb vegan lifestyle: A 30-day meal planner, 4-week shopping list, exercise guide, over 55 color recipes, RT4 Diet Pyramid and so much more. It's time to become the healthiest, happiest, kick-ass person you know! BOOM! Time to go fruit yourself. ;-) By Freelee
