The Trouble with Islam Today Irshad Manji,2005-03-16 I have to be honest with you. Islam is on very thin ice with me.... Through our screaming self-pity and our conspicuous silences, we Muslims are conspiring against ourselves. We're in crisis and we're dragging the rest of the world with us. If ever there was a moment for an Islamic reformation, it's now. For the love of God, what are we doing about it? In this open letter, Irshad Manji unearths the troubling cornerstones of mainstream Islam today: tribal insularity, deep-seated anti-Semitism, and an uncritical acceptance of the Koran as the final, and therefore superior, manifesto of God's will. But her message is ultimately positive. She offers a practical vision of how Islam can undergo a reformation that empowers women, promotes respect for religious minorities, and fosters a competition of ideas. Her vision revives ijthihad, Islam's lost tradition of independent thinking. In that spirit, Irshad has a refreshing challenge for both Muslims and non-Muslims: Don't silence yourselves. Ask questions---out loud. The Trouble with Islam Today is a clarion call for a fatwa-free future.

To explore the logic of contemporary fundamentalist ideology, Jansen draws on the work of the two dominant Islamic commentators on religion and politics, Al-Afghani from the nineteenth century and Ibn Taymiyya from the fourteenth.

As for Sinclair Ross David Stouck,2005-01-01 Sinclair Ross (1908-1996), best known for his canonical novel *As for Me and My House* (1941), and for such familiar short stories as *The Lamp at Noon* and *The Painted Door*, is an elusive figure in Canadian literature. A master at portraying the hardships and harsh beauty of the Prairies during the Great Depression, Ross nevertheless received only modest attention from the public during his lifetime. His reluctance to give readings or interviews further contributed to this faint public perception of the man. In *As for Sinclair Ross*, David Stouck tells the story of a lonely childhood in rural Saskatchewan, of a long and unrewarding career in a bank, and of many failed attempts to be published and to find an audience. The book also tells the story of a man who fell in love with both men and women and who wrote from a position outside any single definition of gender and sexuality. Stouck's biography draws on archival records and on insights gathered during an acquaintance late in Ross's life to illuminate this difficult author, describing in detail the struggles of a gifted artist living in an inhospitable time and place. Stouck argues that when Ross was writing about prairie farmers and small towns, he wanted his readers to see the kind of society they were creating, to feel uncomfortable with religion as coercive rhetoric, prejudices based on race and ethnicity, and rigid notions of gender. *As for Sinclair Ross* is the story of a remarkable writer whose works continue to challenge us and are rightly considered classics of Canadian literature.
